GENERAL INFORMATION ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why did I receive a Notice of Internet Availability of Proxy Materials?

A: The Company has elected to furnish to most of its stockholders this Proxy Statement, Notice of Annual Meeting of Stockholders and our 2016 Annual Report (collectively “proxy materials”) through the internet. You will receive a “Notice of Internet Availability of Proxy Materials” (the “Notice”) by mail or e-mail, and you will not receive printed copy of the proxy materials, unless you specifically request one or have previously requested one. The Notice contains instructions on how stockholders can access and review the proxy materials via the internet and how to vote their shares. The Notice also contains instructions on how to receive, free of charge, paper copies of the proxy materials for our Annual Meeting or for all future meetings. Stockholders who did not receive a Notice will receive printed copies of the proxy materials and a proxy card by mail.

The proxy materials are first being made available to our stockholders on or about April 21, 2017.

We believe the delivery options that we have chosen will allow us to provide our stockholders with the proxy materials they need, while minimizing the cost of the delivery of the materials and the environmental impact of printing and mailing printed copies.

Q: What items will be voted on at the Annual Meeting?

A: The items of business scheduled to be voted on at the Annual Meeting are:

- The election to the Board of Directors of the three (3) nominees named in this Proxy Statement to serve as Class III directors until the 2020 annual meeting of stockholders and until their respective successors are duly elected and qualified (Proposal No. 1); and
- The ratification of the appointment of Ernst & Young LLP (“EY”) as the Company’s independent registered public accounting firm for the fiscal year ending February 3, 2018 (Proposal No. 2).

Although the Board of Directors knows of no matters that will be presented for consideration at the Annual Meeting other than as described in this Proxy Statement, we will also consider any other business that properly comes before the Annual Meeting or any adjournments or postponements thereof. See “—*How will voting on any other business be conducted?*” below. Pursuant to our Amended and Restated Bylaws (“Bylaws”), the chairman of the Annual Meeting will have the power and duty to determine whether any business proposed to be transacted at the Annual Meeting has been properly brought before the meeting. If the chairman of the Annual Meeting determines that any proposed business is not properly brought before the Annual Meeting, he or she will so declare and such business shall be disregarded and not transacted.

Q: How does the Board of Directors recommend I vote on these items?

A: The Board of Directors recommends that you vote your shares:

- FOR the election to the Board of Directors of each of the following nominees: Mr. Philip F. Bleser, Mr. Martyn Redgrave and Ms. Laurie Ann Goldman (Proposal No. 1); and
- FOR the ratification of the appointment of EY as the Company’s independent registered public accounting firm for the fiscal year ending February 3, 2018 (Proposal No. 2).

Q: Who is entitled to vote?

A: Stockholders of record of our common stock as of the close of business on April 10, 2017, the record date, are entitled to notice of and to vote at the Annual Meeting.

Q: What is the difference between a stockholder of record and a stockholder who holds stock in street name?

A: *Stockholders of Record.* If your shares are registered in your name with our transfer agent, Computershare, Inc., you are a stockholder of record with respect to those shares and the Notice or printed copies of the proxy materials were sent directly to you by Broadridge Financial Solutions (“Broadridge”).

TABLE OF CONTENTS

Street Name Holders. If you hold your shares through a bank, broker or other nominee, then you are the beneficial owner of those shares, which are held in “street name” rather than directly in your own name. If you hold shares in street name, the Notice or printed copies of the proxy materials were forwarded to you by your bank, broker or other nominee, who is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your bank or broker on how to vote the shares held in your account. If you requested printed copies of the proxy materials by mail, you will receive a voting instruction form from your bank, broker or other nominee.

Q: How many shares are eligible to vote at the Annual Meeting?

A: As of the close of business on the record date, April 10, 2017, there were 36,664,136 shares of the Company’s common stock outstanding and eligible to vote at the Annual Meeting. There is no other class of voting securities outstanding. Each share of common stock entitles its holder to one vote at the Annual Meeting.

Q: Who can attend the Annual Meeting?

A: Subject to space availability, all holders of our common stock as of April 10, 2017, or their duly appointed proxies, may attend the meeting.

Admission to the meeting will be on a first-come, first-served basis. Registration will begin at 9:30 a.m. If you attend, please note that you may be asked to present valid photo identification, such as a driver’s license or passport. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting. Please also note that if you hold your shares in “street name” (that is, through a broker, bank or other nominee), you will also need to bring a copy of a brokerage statement reflecting your stock ownership as of the record date and check in at the registration desk at the Annual Meeting.

Q: How do I vote my shares?

A: You may direct how your shares are voted in one of the following ways:

You may vote via the Internet or Telephone. You can vote by proxy over the internet or telephone by following the instructions provided in the Notice, on the separate proxy card if you received a printed set of the proxy materials or on the voting instruction form if you hold your shares in street name.

You may vote by mail. If you received a printed set of the proxy materials, you can submit your proxy or voting instructions by completing and signing the separate proxy card or voting instruction form you received and mailing it in the accompanying prepaid and addressed envelope. If you would like to receive a printed copy of the proxy materials, you can request one by following the instructions in your Notice.

You may vote in person at the meeting. All stockholders of record may vote in person at the Annual Meeting. Written ballots will be passed out to anyone who wants to vote at the meeting. If you are a street name holder, you may not vote your shares at the Annual Meeting unless you obtain a legal proxy from your bank, broker or other nominee. A legal proxy is a bank’s, broker’s or nominee’s authorization for you to vote the shares it holds in its name on your behalf. To obtain a legal proxy, please contact your bank, broker or other nominee.

Even if you plan to attend the Annual Meeting, we recommend that you submit your proxy or voting instructions in advance to authorize the voting of your shares at the Annual Meeting to ensure that your vote will be counted if you later are unable to attend.

Q: When is the deadline for submitting my proxy?

A: If you are a stockholder of record, your proxy must be received by telephone or the internet by 11:59 p.m. Eastern Time on May 31, 2017 in order for your shares to be voted at the Annual Meeting. If you received printed copies of the proxy materials by mail, you may mark, sign, date and return the proxy card you received and return it in the accompanying prepaid and addressed envelope so that it is received by the Company before the Annual Meeting in order for your shares to be voted at the Annual Meeting. If you hold your shares in street name, please provide your voting instructions by the deadline specified by the bank, broker or other nominee who holds your shares.

TABLE OF CONTENTS

Q: Once I have submitted my proxy, is it possible for me to change or revoke my proxy?

A: Yes. You have the power to change or revoke your proxy at any time before the Annual Meeting. If you are a stockholder of record, you may do so in the following ways:

- Voting electronically via the internet or by telephone on a subsequent date prior to 11:59 p.m. Eastern Time on May 31, 2017; or
- Delivering to our Corporate Secretary, before the Annual Meeting, a written notice of revocation or a subsequently dated proxy card; or
- Attending the Annual Meeting and voting in person.

For shares held in street name, you may revoke any previous voting instructions by submitting new voting instructions to the bank, broker or nominee holding your shares by the deadline for voting specified in the voting instructions provided by your bank, broker or nominee. Alternatively, if you have obtained a legal proxy from the bank, broker or nominee giving you the right to vote the shares at the Annual Meeting, you may change your vote by attending the Annual Meeting and voting in person.

Attendance at the Annual Meeting will not by itself constitute a revocation of a proxy.

Q: What constitutes a quorum?

A: The representation, in person or by proxy, of holders of a majority in voting power of the total shares of our common stock entitled to vote at the Annual Meeting constitutes a quorum at the meeting. Abstentions and broker non-votes will be counted as present for purposes of determining whether a quorum exists for the Annual Meeting. See “— *What is required to approve each proposal at the Annual Meeting?*”

Q: What is required to approve each proposal at the Annual Meeting?

A: *Election of Directors (Proposal No. 1)*. The Bylaws provide for a plurality voting standard for the election of directors. Under this voting standard, once a quorum has been established, the three nominees receiving the highest number of affirmative votes of the shares entitled to be voted for directors will be elected as Class III directors to serve until the 2020 annual meeting of stockholders and until their respective successors are duly elected and qualified. Votes withheld shall have no legal effect. Stockholders are not permitted to cumulate their shares for the purpose of electing directors. See “— *What happens if a director receives a greater number of WITHHOLD votes than FOR votes at the Annual Meeting?*” below.

Ratification of Appointment of Independent Registered Public Accounting Firm (Proposal No. 2). Once a quorum has been established, pursuant to the Bylaws, approval of Proposal No. 2 requires the affirmative vote of a majority of the shares present in person or represented by proxy at the Annual Meeting and voting on such item. Notwithstanding this vote standard required by the Bylaws, Proposal No. 2 is advisory only and is not binding on the Company.

Q: What happens if I withhold or abstain?

A: In Proposal No. 1, you may vote FOR ALL of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one of the nominees. For Proposal No. 2, you may vote FOR, AGAINST or ABSTAIN.

With respect to Proposal No. 1, votes withheld will not be counted as a vote cast on the election of any of the director nominees and therefore will not be counted in determining the outcome of any of the directors' election. See “— *What happens if a director receives a greater number of WITHHOLD votes than FOR votes at the Annual Meeting?*” below. With respect to Proposal No. 2, abstentions have the same effect as votes AGAINST the matter.

TABLE OF CONTENTS

Q: What happens if a director receives a greater number of WITHHOLD votes than FOR votes at the Annual Meeting?

A: Pursuant to the Company's Plurality Plus Voting Policy (the "Voting Policy"), in an uncontested election of directors (as defined in the Voting Policy), if a nominee for director receives a greater number of WITHHOLD votes than FOR votes, the director must tender his or her resignation to the Board of Directors promptly following the certification of the election results. The Nominating and Corporate Governance Committee will consider any resignation tendered under the Voting Policy and recommend to the Board of Directors whether to accept or reject such resignation. The Board of Directors will then act on such resignation, taking into account the recommendation of the Nominating and Corporate Governance Committee, within 90 days following the certification of the election results. The Nominating and Corporate Governance Committee in making its recommendation, and the Board of Directors in making its decision, may consider any information each deems appropriate. The Board of Directors will disclose, as required by law, its decision to accept or reject such resignation and, if rejected, the reasons for doing so.

Q: How will my shares be voted if I do not give specific voting instructions?

A: If you are a stockholder of record and you submit your proxy on the internet, by telephone or by mailing a proxy card and do not indicate how you want to vote your shares on one or more of the proposals, then the proxy holders, Steven P. Lawrence and Kal Malik, will vote your shares as recommended by the Board of Directors on those items. See "*—How does the Board of Directors recommend I vote on these items?*" above.

If you hold your shares in street name through a brokerage account and you do not submit voting instructions to your broker, your broker may generally vote your shares, in its discretion, on routine matters. However, a broker cannot vote shares held in street name on non-routine matters unless the broker receives voting instructions from the beneficial holder. Proposal No. 2 is considered routine under applicable rules, while Proposal No. 1 is considered non-routine. Accordingly, if you hold your shares in street name through a brokerage account and you do not submit voting instructions to your broker, your broker may exercise its discretion to vote your shares on Proposal No. 2, but will not be permitted to vote your shares on Proposal No. 1. If your broker exercises this discretion with respect to Proposal No. 2, your shares will be counted as present for the purpose of determining the presence of a quorum at the Annual Meeting and will be voted on Proposal No. 2 in the manner directed by your broker, but your shares will constitute a "broker non-vote" for purposes of Proposal No. 1 at the Annual Meeting. Broker non-votes will not be counted as a vote cast with respect to Proposal No. 1 and therefore will not be counted in determining the outcome of such proposal.

Q: How will voting on any other business be conducted?

A: Although the Board of Directors does not know of any business to be considered at the Annual Meeting other than the items described in this Proxy Statement, if any other business properly comes before the Annual Meeting or any postponement or adjournment thereof and is voted upon, a stockholder's properly submitted proxy gives authority to the proxy holders to vote on those matters in their discretion, and it is their intention to vote such proxies in accordance with the recommendation of the Board of Directors.

Q: Who will bear the costs of the solicitation of proxies?

A: The cost of preparing the proxy materials, including this Proxy Statement and the Notice, the cost of making such materials available on the internet and the cost of soliciting proxies will be paid by the Company. In addition to solicitation by mail, certain officers, regular employees and directors of the Company, without receiving any additional compensation, may solicit proxies personally or by telephone. The Company will request brokerage houses, banks and other custodians or nominees holding stock in their names for others to forward proxy materials to their customers or principals who are the beneficial owners of shares of our common stock and will reimburse them for their expenses in doing so.

TABLE OF CONTENTS

Q: Where can I find the voting results of the Annual Meeting?

A: We intend to announce preliminary voting results at the Annual Meeting and disclose final voting results in a Current Report on Form 8-K to be filed with the Securities and Exchange Commission (the “SEC”) within four business days following the Annual Meeting.

Q: I share an address with another stockholder, and we received only one paper copy of the Proxy Statement, how can I obtain an additional copy of the Proxy Statement?

A: We have adopted a procedure, approved by the SEC, called “householding.” Under this procedure, stockholders of record who have the same address and last name and did not receive a Notice or otherwise receive their proxy materials electronically will receive only one copy of this Proxy Statement and the 2016 Annual Report, unless we are notified that one or more of these stockholders wishes to continue receiving individual copies. This procedure will reduce our printing costs and postage fees.

If you are a stockholder of record and eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of this Proxy Statement and the 2016 Annual Report, or if you hold our stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact Broadridge either by calling toll free at (800) 542-1061 or by writing to Broadridge Householding Department, 51 Mercedes Way, Edgewood, New York 11717. If you participate in householding and wish to receive a separate copy of this Proxy Statement and the 2016 Annual Report, or if you do not wish to continue to participate in householding and prefer to receive separate copies of these documents in the future, please contact Broadridge as indicated above.

If your shares are held in street name through a broker, bank or other nominee, please contact your broker, bank or other nominee directly if you have questions, require additional copies of this Proxy Statement or the 2016 Annual Report or wish to receive a single copy of such materials in the future for all beneficial owners of shares of the Company’s common stock sharing an address.

CORPORATE GOVERNANCE

Board Composition

Our business and affairs are managed under the direction of our Board of Directors. Our Board of Directors currently consists of nine members. Our Bylaws provide that, subject to any rights applicable to any then outstanding preferred stock, our Board of Directors will consist of a number of directors to be fixed from time to time by a resolution adopted by the affirmative vote of a majority of the total directors then in office. Our Board of Directors has fixed the number of directors at nine.

Our certificate of incorporation and Bylaws provide for a staggered, or classified, Board of Directors consisting of three classes of directors, each serving a staggered three-year term and with one class being elected at each year's annual meeting of stockholders as follows:

- the Class I directors are Mr. O'Leary, Ms. Toulantis and Ms. Bender and their terms expire at the annual meeting of stockholders to be held in 2018;
- the Class II directors are Mr. Emmett, Mr. Lawrence and Mr. Kunes and their terms expire at the annual meeting of stockholders to be held in 2019; and
- the Class III directors are Mr. Bleser, Mr. Redgrave and Ms. Goldman and their terms expire at the Annual Meeting.

Upon the expiration of the term of a class of directors, directors for that class will be elected for a three-year term at the annual meeting of stockholders in the year in which the term expires. Each director's term is subject to the election and qualification of his or her successor, or his or her earlier death, resignation or removal. Subject to any rights applicable to any then outstanding preferred stock, any vacancies on our Board of Directors may be filled only by the affirmative vote of a majority of the directors then in office. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors.

Director Independence

Our Board of Directors has determined that each of Messrs. Bleser, Emmett, Kunes, O'Leary and Redgrave and Meses. Bender, Goldman and Toulantis is independent under the rules of The NASDAQ Stock Market LLC ("NASDAQ"). Mr. Lawrence is not independent under the applicable rules of NASDAQ as a result of his position as our President and Chief Executive Officer. In addition, our Board of Directors previously determined that Mr. Michael Barnes, who resigned from the Board of Directors effective May 15, 2016, was not independent under the applicable rules of NASDAQ prior to his resignation as a result of his position as our President and Chief Executive Officer.

Our Board of Directors considered the relationships of each director or any member of his or her immediate family with the Company in making its affirmative determination that each non-employee director is independent pursuant to the NASDAQ rules and the additional standards established by NASDAQ and the SEC for members of the Audit Committee and the Compensation Committee.

Committees of the Board of Directors

The standing committees of our Board of Directors include: the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee. The composition and responsibilities of each standing committee are described below. Members of these committees will serve until their resignation or until otherwise determined by our Board of Directors. In the future, our Board of Directors may establish other committees, as it deems appropriate, to assist with its responsibilities. Current copies of the charters for each of our standing committees are posted on the Investor Relations section of our website at www.francescas.com.

Our General Counsel regularly attends meetings of the Board of Directors and its committees when they are not in executive session, and to report on matters that are not addressed by other officers. Our Chief Financial Officer regularly attends the meetings of the Audit Committee when they are not in executive session. In addition, our directors are encouraged to communicate directly with members of management regarding matters of interest, including matters related to risk, at times when meetings are not being held.

TABLE OF CONTENTS

Audit Committee

The Audit Committee currently consists of Mr. Redgrave (Chair), Mr. Bleser, Mr. Emmett, Ms. Goldman, and Ms. Toulantis. The Board of Directors has determined that each member of the Audit Committee is “independent” under the applicable NASDAQ rules and Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). In addition, the Board of Directors has determined that each member of the Audit Committee is “financially literate” under the applicable NASDAQ rules and has designated each of Mr. Bleser, Mr. Redgrave and Ms. Toulantis as an “Audit Committee financial expert” as defined by SEC rules.

The Audit Committee is responsible for, among other things:

- selecting and hiring our independent registered public accounting firm and approving the audit and non-audit services to be performed by our independent registered public accounting firm;

Compensation Committee

The Compensation Committee currently consists of Mr. Emmett (Chair), Ms. Bender, Mr. Bleser, Ms. Goldman, and Mr. O’Leary. The Board of Directors has determined that each member of the Compensation Committee is “independent” under the applicable NASDAQ rules. In addition, each member of the Compensation Committee is a “non-employee director” as that term is defined under Rule 16b-3 of the Exchange Act and an “outside director” as that term is defined in Treasury Regulation §1.162-27(3). The Compensation Committee is responsible for, among other things:

- reviewing and approving compensation of our executive officers, including annual base salary, annual incentive bonuses, specific goals, equity compensation, employment agreements, severance and change-in-control arrangements and any other benefits, compensation or arrangements;
- reviewing and recommending compensation goals, bonus and stock compensation criteria for our employees;

- administrating, reviewing and making recommendations with respect to our equity compensation plans; and
- evaluating the Compensation Committee’s performance on an annual basis and developing criteria for such evaluation.

The Compensation Committee is solely responsible for making the final decisions regarding compensation for our executive officers. However, the Board of Directors may, to the extent permitted by applicable law, delegate the responsibilities of the Compensation Committee to a subcommittee or another committee of the Board’s denomination. Additionally, the Compensation Committee may delegate authority over certain compensation plans to the Company’s management as it deems appropriate from time to time. The Compensation Committee also considers recommendations of our Chief Executive Officer in determining the compensation (including stock-based awards) of executive officers other than the Chief Executive Officer. Otherwise, our officers do not have any role in determining the form or amount of compensation paid to our executive officers. The Compensation Committee determined and approved all of the components of compensation for our Chief Executive Officer. Our Board of Directors reviewed the compensation of our named executive officers as approved by the Compensation Committee.

Pursuant to its charter, the Compensation Committee is authorized to retain compensation consultants and any other type of legal or accounting adviser, as it deems necessary, to assist in the evaluation of compensation to our executive officers. As further described under “*Executive Compensation — Compensation Discussion and Analysis*” below, the Compensation Committee retained Pearl Meyer & Partners, LLC (“Pearl Meyer”), an independent compensation consultant, to review and provide recommendations for our director and executive compensation program, including recommended base salary, target bonus and equity awards for certain of our executive officers and annual retainer and equity awards for our directors. Pearl Meyer reports only to the Compensation Committee and does not perform services for us, except for executive compensation-related services on behalf of, and as instructed by, the Compensation Committee. All compensation decisions were made solely by our Compensation Committee or Board of Directors. The Compensation Committee has assessed the independence of Pearl Meyer pursuant to the NASDAQ and SEC rules and concluded that no conflict of interest exists that would prevent Pearl Meyer from serving as an independent consultant to the Compensation Committee.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee currently consists of Ms. Toulantis (Chair), Ms. Bender, Mr. Kunes, Mr. O’Leary, and Mr. Redgrave. The Board of Directors has determined that each member of the Nominating and Corporate Governance Committee is “independent” under the applicable NASDAQ rules. The Nominating and Corporate Governance Committee is responsible for, among other things:

- assisting our Board of Directors in identifying prospective director nominees and recommending nominees for each annual meeting of stockholders to our Board of Directors;
- reviewing developments in corporate governance practices and developing and recommending governance principles applicable to our Board of Directors;
- overseeing the annual self-evaluation of the Board of Directors and its committees;
- monitoring the functions of the various committees of the Board of Directors and conducting periodic reviews of their contributions;
- recommending members for each board committee of our Board of Directors; and
- evaluating the Nominating and Corporate Governance Committee’s performance on an annual basis and developing criteria for such evaluation.

The Nominating and Corporate Governance Committee has the authority to engage any legal, accounting or other advisors it deems necessary or appropriate to carry out its responsibilities.

TABLE OF CONTENTS

Meetings and Attendance

During fiscal 2016, there were seven meetings of the Board of Directors, six meetings of the Audit Committee, four meetings of the Compensation Committee and four meetings of the Nominating and Corporate Governance Committee. Each of our directors attended at least 75% of the aggregate meetings of the Board of Directors and the committees of the Board of Directors on which he or she served during his or her tenure in fiscal 2016. In addition, the independent directors meet regularly in executive session without the presence of management. Mr. Kunes, our Chairman of the Board, currently chairs these executive sessions of the independent directors.

Our Board of Directors encourages each director to attend the annual meeting of stockholders. Except for Ms. Toulantis, all of our then-current directors attended the 2016 annual meeting of stockholders.

Compensation Committee Interlocks and Insider Participation

Ms. Bender, Mr. Emmett, Ms. Goldman and Mr. O’Leary each served on the Compensation Committee during all of fiscal 2016. Prior to his appointment as Interim President and Chief Executive Officer effective on May 16, 2016, Mr. Kunes also served as a member of the Compensation Committee. Other than Mr. Kunes, none of these directors is or has been a former or current executive officer or employee of the Company or had any relationships requiring disclosure by the Company under Item 404 of Regulation S-K promulgated by the SEC. Mr. Kunes did not serve on our Compensation Committee during his service as our Interim President and Chief Executive Officer. None of the Company’s executive officers served as a director or a member of a compensation committee (or other committee serving an equivalent function) of any other entity, whose executive officers served as a Director of the Company or a member of the Compensation Committee during fiscal 2016.

Board of Directors Leadership Structure

Our Bylaws do not require separating the roles of Chairman of the Board of Directors and Chief Executive Officer. Since December 2014, our Board of Directors had combined these roles in an effort to promote efficiency. However, our Board of Directors periodically reviews the appropriateness and effectiveness of its leadership structure and, in September 2016, our Board of Directors decided to separate these roles effective October 10, 2016. In September 2016, the Board of Directors appointed Mr. Lawrence as our President and Chief Executive Officer and Mr. Kunes (who had been serving as Interim President, Chief Executive Officer and Chairman of the Board since May 2016) was appointed Chairman of the Board effective October 10, 2016. Our Board of Directors believes that having an independent director serve as the Chairman of the Board is in the best interests of stockholders at this time because it allows the Chairman to focus on the effectiveness and independence of the Board while the Chief Executive Officer focuses on executing the Company’s strategy and managing the Company’s operations and performance.

If the Board of Directors determines that the Chief Executive Officer and the Chairman of the Board positions should be held by the same person, or if the Chairman of the Board is a director that does not otherwise qualify as an independent director, the independent directors on the Board will appoint from amongst themselves an independent director to serve as Lead Independent Director.

Board of Directors’ Role in Risk Oversight

Risk is inherent in every business and we face a number of risks as outlined in the “*Risk Factors*” section of our Annual Report on Form 10-K for the fiscal year ended January 28, 2017 and filed with the SEC on March 22, 2017. Our Board of Directors is responsible for overseeing our risk assessment and risk management functions, including reviewing our major exposures and the steps management has taken to monitor and control those exposures. Our Board of Directors has delegated this oversight responsibility to our Audit Committee through its charter. Our Board of Directors has determined that this oversight responsibility can be most efficiently performed by our Audit Committee as part of its overall responsibility for providing independent, objective oversight with respect to our accounting and financial reporting functions, internal and external audit functions and systems of internal controls over financial reporting and legal, ethical and regulatory compliance. Our Audit Committee regularly reports to our Board of Directors with respect to its oversight of these important areas.

TABLE OF CONTENTS

Our Board of Directors believes that the processes it has established to administer the Board of Director's risk oversight function would be effective under a variety of leadership frameworks and therefore do not have a material effect on the Company's leadership structure described above.

Compensation Risk Assessment

We believe that our compensation programs do not encourage unnecessary or excessive risk taking that could have a material adverse effect on the Company. In particular, our Compensation Committee considers, in establishing and reviewing our executive compensation program, whether the program encourages unnecessary or excessive risk taking and has concluded that it does not. The executive compensation program reflects a balanced approach using both quantitative and qualitative assessments of performance without putting an undue emphasis on a single performance measure. Base salaries are fixed in amount and, thus, do not encourage risk taking. While annual incentive bonuses focus on achievement of annual goals, such annual bonuses are based on both Company and individual performance criteria as described under the "*Executive Compensation*" section below. In addition, our Compensation Committee retains discretion to reduce bonus amounts otherwise payable based on any factors it deems appropriate. Our Compensation Committee believes that the annual bonus opportunity appropriately balances risk and the desire to focus executives on objectives considered to be important to the Company's success.

A substantial portion of compensation provided to our executive officers is in the form of equity awards that we believe further align executives' interests with those of our stockholders. Our Compensation Committee believes that these equity awards do not encourage unnecessary or excessive risk taking because the ultimate value of the awards is tied to the Company's stock price, and because grants are subject to long-term vesting schedules and our executives are subject to our Share Ownership Guidelines discussed under the "*Executive Compensation*" section below, we believe these awards help ensure our executives have significant value tied to long-term stock price performance.

Director Nomination Process

Identifying and Evaluating Director Nominee Candidates

Candidates may come to the attention of the Nominating and Corporate Governance Committee through current members of the Board of Directors, stockholders or other persons. These candidates are evaluated at regular or special meetings of the Nominating and Corporate Governance Committee. Stockholders wishing to recommend director candidates for consideration by the Nominating and Corporate Governance Committee may do so by writing to our Corporate Secretary at 8760 Clay Road, Houston, Texas 77080, who will forward all recommendations to the Nominating and Corporate Governance Committee. Stockholders must submit their recommendations on or before February 1, 2018 for consideration for our next annual meeting and provide the following information:

TABLE OF CONTENTS

The Nominating and Corporate Governance Committee may consider the following criteria in recommending candidates for election to the Board of Directors:

- personal and professional integrity, ethics and values;
- no relationships that, in the opinion of our Board of Directors or Nominating and Corporate Governance Committee, would interfere with, or have the appearance of interfering with, the exercise of his or her independent judgment as a member of our Board of Directors;

- experience in corporate management, such as serving as an officer or former officer of a publicly held company;
- experience as a board member of another publicly held company;
- academic expertise in an area of the Company's operations;
- willingness and ability to contribute positively to the decision-making process of the Company;
- demonstrated ability to exercise sound business judgment;
- potential to contribute to the diversity of viewpoints, backgrounds, or experiences of the Board of Directors as a whole;
- age; and
- diligence and dedication to the success of the Company.

The Nominating and Corporate Governance Committee will evaluate director candidates recommended by stockholders for election to our Board of Directors in the same manner and using the same criteria as used for any other director candidate. The Nominating and Corporate Governance Committee seeks to recommend candidates that further the objective of having a Board of Directors that encompasses a broad range of talents and expertise and reflects a diversity of background, experience and viewpoints. The Nominating and Corporate Governance Committee does not, however, have a formal policy with regard to the consideration of diversity in identifying candidates for the Board of Directors.

Please note that stockholders who wish to nominate a person for election as a director in connection with an annual meeting of stockholders (as opposed to making a recommendation to the Nominating and Corporate Governance Committee as described above) must deliver written notice to our Corporate Secretary in the manner described in Section 1.12 of our Bylaws.

Code of Ethics and Conduct

Our Code of Ethics and Conduct applies to all of our employees, officers and directors, including those officers responsible for financial reporting. Our Code of Ethics and Conduct addresses, among other things, competition and fair dealing, conflicts of interest, financial matters and external reporting, company funds and assets, confidentiality and corporate opportunity requirements and the process for reporting violations of the Code of Ethics and Conduct, employee misconduct, conflicts of interest or other violations. Our Code of Ethics and Conduct is available on the Investor Relations section of our website at www.francescas.com. Any amendments to the code, or any waivers of its requirements with respect to our directors and executive officers, will be disclosed in accordance with applicable law, including by posting such amendment or waiver on our website.

Stockholder Communications with the Board of Directors

Stockholders may send written communications to the Board of Directors or to specified individuals on the Board of Directors, c/o Corporate Secretary at 8760 Clay Road, Houston, Texas 77080. All mail received will be opened and communications that relate to matters that are within the scope of the responsibilities of the Board of Directors, other than solicitations, junk mail and frivolous or inappropriate communications, will be forwarded to the Chairman of the Board of Directors or any specified individual director, as applicable. If the correspondence is addressed to the Board of Directors, the Chairman will distribute it to the other members of the Board of Directors if he determines it is appropriate for the full Board of Directors to review.

[TABLE OF CONTENTS](#)

DIRECTOR COMPENSATION

Under our Director Compensation Policy, annual compensation for the members of our Board of Directors who are not employed by us or any of our subsidiaries (referred to in this section as “non-employee directors”) consists of an annual cash retainer, an additional cash retainer for non-employee directors serving in certain positions as described below, and an annual equity award. In the case of a non-employee director who is initially elected or appointed to our Board of Directors on a date other than the date of an annual meeting of our stockholders, such director is eligible to receive a prorated cash retainer and an equity award upon his or her initial election or appointment, with the amount and terms thereof to be determined by our Board of Directors or a committee thereof in its discretion. Our Board of Directors reserves the right to modify the Director Compensation Policy from time to time.

Annual Cash Retainer

Pursuant to the terms of the Director Compensation Policy, each non-employee director receives an annual cash retainer of \$50,000. Effective as of the date of the 2016 annual meeting, the following additional annual retainers are provided for non-employee directors: (a) the Chairman of the Board of Directors receives an annual retainer of \$25,000; (b) the Lead Director (serving while the position of Chairman of the Board of Directors is not held by a non-employee director) receives an annual retainer of \$17,500; (c) the Chair of the Audit Committee receives an annual retainer of \$15,000; (d) the Chair of the Compensation Committee receives an annual retainer of \$10,000; and (e) the Chair of the Nominating and Corporate Governance Committee receives an annual retainer of \$7,500. Each such retainer is paid at the Company’s annual meeting of stockholders each year. Newly elected or appointed non-employee directors, or non-employee directors who are appointed to one of the positions identified above, receive a prorated retainer upon their election or appointment. Our non-employee directors do not receive any additional fees based on the number of meetings they attend.

Equity Awards

In connection with each annual meeting of our stockholders, the Board of Directors (or a committee thereof) approves an equity award under the 2015 Equity Incentive Plan (the “2015 Plan”) to each non-employee director serving on our Board of Directors immediately following the annual meeting. Under the Director Compensation Policy, as amended in November 2016, the award may be in the form of either a stock option or restricted stock, with the grant in either case having a value of approximately \$100,000 (determined using the valuation method based on the assumptions we generally then use in valuing equity awards in our financial reporting). The Board of Directors determines the type of award and the vesting period at the time the grant is made.

In June 2016, we granted an award of 9,578 shares of restricted stock to each of our non-employee directors who continued in office following our 2016 annual meeting, namely, Messrs. Emmett, O’Leary and Redgrave and Ms. Bender, Goldman and Toulantis. Each restricted stock award is subject to a one-year vesting schedule, with the restricted shares vesting in full on June 8, 2017, the first anniversary of the grant date.

As described in our Director Compensation Policy, those members of our Board of Directors who are currently employed by us do not receive additional compensation in connection with their service on our Board of Directors. Accordingly, Mr. Lawrence, our current President and Chief Executive Officer, and Mr. Barnes, our former President and Chief Executive Officer, did not receive compensation for their service on our Board of Directors during fiscal year 2016. Mr. Kunes served as our Interim Chief Executive Officer for a portion of fiscal year 2016 and did not receive compensation for his service on the Board of Directors during this period. The compensation paid to each of these individuals for fiscal year 2016 is presented in the “Executive Compensation” disclosures beginning on page [20](#) of this Proxy Statement.

Indemnification Agreements; Reimbursements

We entered into indemnification agreements with all our directors. See “*Certain Relationships and Related Party Transactions — Certain Relationships — Indemnification of Officers and Directors*” for more information. All members of our Board of Directors are eligible to receive reimbursement of reasonable and documented costs and expenses incurred by such directors in connection with attending any meetings of our Board of Directors or any committee thereof.

Non-Employee Director Share Ownership Guidelines

The Board of Directors has established share ownership guidelines covering our non-employee directors (the “Director Share Ownership Guidelines”). Under the Director Share Ownership Guidelines, each non-employee director is required to hold “qualifying stock” with a value equal to five times the base annual cash retainer paid to such non-employee director. A non-employee director may not dispose of more than 25% of his or her “qualifying stock” unless the requirement has been met on or before the date of any such disposition and, after giving effect to such disposition, the non-employee director will not fail to continue to meet the guidelines. For these purposes, “qualifying stock” includes (1) shares of our common stock held in a brokerage account for the director’s benefit in trust or through a tax qualified retirement plan, (2) shares of our common stock held by the director’s spouse, (3) shares of restricted stock or restricted stock units with respect to shares of our common stock, and (4) the “in the money” value of vested stock options to purchase our common stock held by the director, determined as of each October 31 and calculated based on the preceding 30-day average per share trading price of our common stock.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Introduction

We operate on a fiscal calendar which, in a given fiscal year, consists of a 52- or 53-week period ending on the Saturday closest to January 31st. Any reference herein to “fiscal year 2016” represents the period from January 31, 2016 to January 28, 2017. This Compensation Discussion and Analysis describes the material compensation arrangements we had for fiscal year 2016 with our “named executive officers,” as determined under the rules of the SEC and identified in the following table.

<u>Name</u>	<u>Title</u>
Steven P. Lawrence	President and Chief Executive Officer (Mr. Lawrence was appointed to these positions effective October 10, 2016.)
Kal Malik	Executive Vice President, Chief Administrative Officer, General Counsel and Corporate Secretary
Laurie Hummel	Executive Vice President, Chief Merchandising Officer of Francesca’s Services Corporation
Kelly M. Dilts	Executive Vice President, Chief Financial Officer (Ms. Dilts was appointed to this position effective April 18, 2016.)
Richard Kunes	Former Interim President and Chief Executive Officer (Mr. Kunes served in these positions from May 16, 2016 through October 15, 2016 and continues to serve as Chairman of the Board.)
Michael W. Barnes	Former Chairman, President and Chief Executive Officer (Mr. Barnes resigned from these positions effective May 15, 2016.)
Cynthia Thomassee	Former Interim Chief Financial Officer (Ms. Thomassee ceased serving as Interim Chief Financial Officer upon Ms. Dilts’ appointment and continues to serve as Senior Vice President, Chief Accounting Officer.)

Executive Summary

The Compensation Committee is responsible for determining the compensation of our named executive officers. Our executive compensation program is guided by the principle that the compensation of executive officers should encourage creation of stockholder value and achievement of strategic corporate objectives. In furtherance of this principle, our executive compensation program includes a number of features intended to reflect best practices in the market and help ensure that the program reinforces our stockholders’ interests. These features are described in more detail below in this Compensation Discussion and Analysis and include the following:

- We provide our named executive officers with annual performance-based cash award opportunities linked to our annual financial performance (75% weighting) and the achievement of individual goals and objectives (25% weighting). These awards are designed to align each executive’s annual goals for his or her respective area of responsibility with the financial goals of the Company.
- The annual equity awards granted to our named executive officers for fiscal year 2016 were entirely performance-based, with the vesting of the award contingent on the achievement of pre-established performance goals for the three-year period consisting of our fiscal years 2016, 2017 and 2018. Upon their joining the Company during fiscal year 2016, Mr. Lawrence and Ms. Dilts were each granted performance stock awards subject to the same vesting requirements as the annual grants made to our other named executive officers at the beginning of the fiscal year. We also granted retention equity awards to Ms. Dilts and Mr. Malik during the fiscal year that vest if the executive remains employed with us for two years following the grant date. Finally, we granted stock options to Mr. Kunes in connection with his service as Interim President and Chief Executive Officer during

TABLE OF CONTENTS

fiscal year 2016. For more information on our equity awards granted to the named executive officers during fiscal year 2016, see “— *Current Executive Compensation Program Elements — Equity-Based Awards*” below.

- In order to more closely align Mr. Lawrence’s interests with those of our stockholders, we also granted him a special performance-based equity award upon his appointment as President and Chief Executive Officer that vests based on our earnings per share exceeding \$0.75 for each of fiscal year 2017 and fiscal year 2019.
- In fiscal year 2016, we achieved performance levels that resulted in a payout of approximately 65.5% of the target bonus opportunities for our eligible named executive officers under our annual cash incentive plan. As described below, we previously granted performance-based equity awards to our executives in fiscal years 2014 and 2015, a portion of which is eligible to vest based on our achievement of specified financial targets for fiscal year 2016. Our named executive officers who hold these awards were credited with 98% of the target number of shares that relate to fiscal year 2016 performance. We believe that these results are consistent with our pay-for-performance philosophy in light of our achievements during the fiscal year.
- Under his employment agreement with the Company, Mr. Lawrence’s target direct compensation for fiscal year 2017 and thereafter (consisting of his annual base salary, target annual bonus and the target value of his expected annual performance-based equity awards) is approximately 75% “at-risk” variable compensation (meaning that the compensation is performance-based and/or with a value dependent on our stock price).
- To further promote alignment of management and stockholder interests, all executives at the level of Senior Vice President or higher are subject to the Company’s stock ownership guidelines as described in detail below under “*Share Ownership Guidelines*.”
- The Compensation Committee has retained and, in setting the Company’s executive compensation policies, has sought the advice of an independent compensation consultant.

Executive Compensation Philosophy and Objectives

The Compensation Committee conducts an annual review of our executive compensation program to help ensure that: (1) the program is designed to align the interests of our named executive officers with our stockholders’ interests by rewarding performance that is tied to creating stockholder value; and (2) the program provides a total compensation package for each of our named executive officers that we believe is competitive.

We accomplish these objectives by providing a total compensation package which includes three main components: base salary, annual performance-based cash awards and long-term equity-based awards. We believe that in order to attract and retain top executives, we need to provide them with compensation levels that reward their continued service. Some of the elements, such as base salaries, are paid out on a short-term or current basis. Other elements, such as benefits provided upon certain terminations of employment and the equity awards that are subject to multi-year vesting schedules, are paid out on a long-term basis. We believe this mix of short- and long-term elements allows us to achieve our goals of attracting, retaining and motivating our top executives. We also, in certain cases, provide our named executive officers with certain relocation and other benefits in connection with their joining the Company.

In structuring executive compensation packages, the Compensation Committee considers how each component promotes retention and motivates performance. Base salaries, severance and other termination benefits are primarily intended to attract and retain highly qualified executives. These elements of our executive compensation program are generally not dependent on performance. Annual cash bonus and long-term equity incentive opportunities provide further incentives to achieve performance goals specified by the Compensation Committee, to enhance alignment with stockholder interests and/or to continue employment with us through specified vesting dates.

We believe that by providing a significant portion of our named executive officers’ total compensation package in the form of equity-based awards, we are able to create an incentive to build stockholder value over the

TABLE OF CONTENTS

long-term and more closely align the interests of our named executive officers to those of our stockholders. Our annual equity awards to the named executive officers for fiscal year 2016, as well as new-hire equity awards granted to Mr. Lawrence and Ms. Dilts in connection with their joining the Company during fiscal year 2016, consisted of restricted stock awards that vest only if specified performance goals established by the Compensation Committee for the particular performance period are met and only if the executive remains employed with us through the end of the applicable performance period. For additional information regarding equity-based awards granted to our named executive officers during fiscal year 2016, see “— *Current Executive Compensation Program Elements — Equity-Based Awards*” below.

Our annual performance-based cash awards, while a less significant portion (relative to our equity-based awards) of our total compensation package, are also contingent upon the achievement of financial performance metrics. The amount of compensation ultimately received for these awards vary with our annual financial performance, thereby providing additional incentives to achieve short-term or annual goals that we believe will maximize stockholder value over the long-term.

Compensation Determination Process

Role of the Compensation Committee and our Executive Officers

Our executive compensation program is determined and approved by our Compensation Committee. During fiscal year 2016, the Compensation Committee was responsible for the oversight, implementation and administration of all of our executive compensation plans and programs. None of the named executive officers are members of the Compensation Committee or otherwise had any role in determining the compensation of the other named executive officers, although the Compensation Committee considers the recommendations of our Chief Executive Officer in setting compensation levels for our executive officers other than our Chief Executive Officer. The Compensation Committee determined and approved all of the components of compensation for our Chief Executive Officer. Our Board of Directors reviewed the compensation of our named executive officers as approved by the Compensation Committee.

Determination of Compensation

Our compensation is highly individualized, the result of arm’s-length negotiations and based on a variety of factors including, our financial condition and available resources, our need for a particular position to be filled and the compensation levels of our other executive officers. As discussed below, we informally consider the competitive market for the corresponding positions within the specialty retail apparel industry in determining the compensation of our executive officers. However, we do not set executive compensation levels at any specific level against other companies. Except as otherwise noted, our Compensation Committee’s executive compensation determinations are subjective and are generally based on the experience and general knowledge possessed by members of our Compensation Committee taking into account the executive’s responsibilities and experience, our performance and the individual performance of the executive, as well as market information provided by an independent compensation consultant of the Compensation Committee as discussed below.

Compensation Consultant

For fiscal year 2016, our Compensation Committee retained Pearl Meyer to serve as its independent compensation consultant. Other than its engagement by the Compensation Committee, Pearl Meyer provides no other services to us or any of our subsidiaries. The Compensation Committee has assessed the independence of Pearl Meyer and concluded that its engagement of Pearl Meyer does not raise any conflict of interest with us or any of our directors or executive officers.

TABLE OF CONTENTS

The Compensation Committee used the following peer group of companies in our industry to assist the committee in making its compensation decisions for fiscal year 2016.

Anthropologie Group ⁽¹⁾	New York & Company Inc.
The Buckle, Inc.	Tilly's, Inc.
The Cato Corporation	Tumi Holdings, Inc. ⁽²⁾
Christopher & Banks Corporation	Vera Bradley, Inc.
Destination Maternity Corporation	Zumiez, Inc.

(1) For evaluating the compensation of our Chief Executive Officer only, the Compensation Committee considered the compensation provided to the chief executive officer of Anthropologie Group, a subsidiary of Urban Outfitters, Inc., as reported in the public filings of Urban Outfitters, Inc.

(2) Tumi Holdings, Inc. was removed from the peer group when it was acquired in August 2016.

These companies were the same peer companies used for the evaluation of our executive compensation program for fiscal year 2015 and were selected as they are similar to us in size; at the time the peer group was selected, our market capitalization was positioned at approximately the median of this peer group. For each of our named executive officers, Pearl Meyer provided information on the compensation levels for similarly situated executives with the peer companies. Although the Compensation Committee reviewed and discussed the peer company compensation data provided by Pearl Meyer to help inform its decision making process, the Compensation Committee does not set compensation levels at any specific level or percentile against the peer group data. The peer company data is only one point of information taken into account by the Compensation Committee in making compensation decisions.

The Role of Stockholder Say-on-Pay Votes

At the annual meeting of our stockholders held in June 2015, our stockholders were provided with an opportunity to cast an advisory vote on our executive compensation program through a say-on-pay proposal. Approximately 87% of votes cast were in favor of our executive compensation program. The Compensation Committee believes that our compensation program includes a number of features (noted above) that reflect best practices in the market and that this voting result affirms stockholders' support of the Company's approach in compensating its executive officers. Our Compensation Committee will continue to consider the outcome of the Company's say-on-pay proposals when making future compensation decisions for our named executive officers.

The Company's current policy is to provide stockholders with an opportunity to approve the compensation of the named executive officers every three years at the annual meeting of stockholders. It is expected that the next such vote will occur at the 2018 annual meeting of stockholders.

New CEO and CFO Employment Agreements

Mr. Lawrence was appointed our President and Chief Executive Officer effective October 10, 2016. In connection with his appointment, we entered into an employment letter agreement that provides for him to receive an annual base salary of \$775,000 and an annual bonus opportunity at a target level of 100% of base salary. He was granted a performance-based stock award on the same terms as the annual equity awards granted to our executive officers for fiscal year 2016 as described in detail under "*Equity-Based Awards*" below (with his grant level being pro-rated to reflect his period of employment with the Company during fiscal year 2016), and a special performance-based stock award that vests if we achieve a target level of earnings per share for each of fiscal year 2017 and fiscal year 2019. Mr. Lawrence received a signing bonus of \$300,000 (subject to repayment if he voluntarily terminates employment during the first year after his start date) and a "make-whole" payment to compensate him for the annual bonus opportunity with his prior employer that he forfeited in connection with his joining the Company (to be determined based on a pro-rated amount of his target bonus with his prior employer and his prior employer's actual performance during the fiscal year then in progress). After reviewing the performance results for his prior employer as publicly reported, the Compensation Committee determined that Mr. Lawrence's make-whole payment would be \$0. The agreement also provides certain severance protections as described under "*Potential Payments Upon Termination or Change in Control*" below. The agreement provides that Mr. Lawrence's employment is at-will and does not have a specified term.

TABLE OF CONTENTS

Ms. Dilts was appointed our Chief Financial Officer effective April 18, 2016. In connection with her appointment, we entered into an employment letter agreement that provides for her to receive an annual base salary of \$350,000 and an annual bonus opportunity at a target level of 50% of base salary. She was granted a performance-based stock award on the same terms as the annual equity awards granted to our executive officers for fiscal year 2016 as described in detail under “*Equity-Based Awards*” below. The agreement provides certain severance protections as described under “*Potential Payments Upon Termination or Change in Control*” below. The agreement provides that Ms. Dilts’ employment is at-will and does not have a specified term.

In each case, the terms described above resulted from negotiations with the executive. Consistent with our pay-for-performance philosophy, the Compensation Committee believes that a substantial portion of each executive’s compensation should be tied to the achievement of specific performance objectives. Accordingly, the vesting of each long-term equity award provided in these agreements is 100% performance-based, in addition to requiring the executive’s continued employment through the applicable performance periods. As an additional reference point in determining the terms of these agreements, the Compensation Committee reviewed data provided by Pearl Meyer on the compensation of chief executive officers and chief financial officers of the peer companies identified above, although, as noted above, it did not set these terms at any particular level relative to the peer companies. The Compensation Committee believes the agreements provide Mr. Lawrence and Ms. Dilts with appropriate performance incentives to grow our company and create value for our stockholders, as well as appropriate retention incentives.

Interim President and CEO Compensation

Mr. Kunes served as our Interim President and Chief Executive Officer (“Interim CEO”) from May 2016 through October 2016. For his period of service as Interim CEO, the Compensation Committee approved a base salary for Mr. Kunes at an annual rate of \$800,000 and the opportunity to participate in the Company’s annual executive bonus program described below at a target bonus of 100% of his base salary (prorated to reflect the portion of the fiscal year in which he served as Interim CEO). Mr. Kunes’ bonus for fiscal year 2016 is based upon the Company’s performance for the second half of the year and his individual performance while serving as Interim CEO. In addition, he received a stock option grant as described in detail under “*Equity-Based Awards*” below. The Compensation Committee determined in its judgment that this compensation package was reasonable and provided appropriate performance incentives for Mr. Kunes for serving as Interim CEO.

Current Executive Compensation Program Elements

The current elements of our executive compensation program are:

- base salaries;
- annual performance-based cash awards;
- equity-based incentive awards; and
- certain additional employee benefits.

We strive to achieve an appropriate mix between the various elements of our compensation program to meet our compensation objectives and philosophy; however, we do not apply any rigid allocation formula in setting our named executive officers’ compensation, and we may make adjustments to this approach for various positions after giving due consideration to prevailing circumstances.

As discussed throughout this Compensation Discussion and Analysis, the compensation policies and programs applicable to our named executive officers reflect our objective of aligning the interests of our executive officers with our stockholders’ interests in enhancing stockholder value over the long term. Applying this philosophy, a significant portion of overall compensation opportunities offered to our named executive officers is in the form of (i) equity-based compensation with a value directly linked to our stock price and, as to a substantial portion of such awards, the achievement of specified performance goals and (ii) annual performance-based cash awards contingent upon achievement of measurable financial objectives.

TABLE OF CONTENTS

Base Salary

We provide an annual base salary to our named executive officers to induce talented executives to join or remain with the Company, to compensate them for their services during the fiscal year and to provide them with a stable source of income. For fiscal year 2016, each of our named executive officers, other than Mr. Kunes and Ms. Thomassee, had an employment letter agreement which set forth his or her minimum level of annual base salary.

The base salary levels of continuing named executive officers are reviewed annually by our Compensation Committee to determine whether an adjustment is warranted. The Compensation Committee may take into account numerous factors in making its determination, none of which are dispositive or individually weighted, including our financial performance, the state of our industry and local economies in which we operate, the executive officer's relative importance and responsibilities within our Company, the executive officer's performance and periodic reference to salaries paid to similarly situated executives with our peer companies, based on our expertise and knowledge of general industry practices.

In March 2016, our Compensation Committee considered the annual base salaries of our named executive officers then employed with us and approved an increase in Mr. Malik's base salary from \$402,500 to \$405,000 and an increase in Ms. Thomassee's base salary from \$200,000 to \$220,000 in connection with her promotion to Senior Vice President, Chief Accounting Officer. The base salaries for Mr. Barnes and Ms. Hummel were established upon their joining the Company in fiscal years 2014 and 2015, respectively, and were not changed for fiscal year 2016. The base salaries for Mr. Lawrence and Ms. Dilts, in each case as negotiated and provided in the executive's employment letter agreement, are set forth below. The Compensation Committee determined in each case, based on its judgment, that these salary levels were appropriate after taking into account the base salaries of similarly situated officers with our peer companies, the executive's experience and the importance of the executive's services to us, and the general knowledge and expertise possessed by the members of our Compensation Committee.

The annual base salary levels in effect as of January 28, 2017, the last day of fiscal year 2016, for each of our named executive officers who were employed by us as of that date are as follows:

Name	Annual Base Salary
Steven P. Lawrence	\$ 775,000
Kal Malik	\$ 405,000
Laurie Hummel	\$ 460,000
Kelly M. Dilts	\$ 350,000
Cynthia Thomassee	\$ 220,000

Annual Performance-Based Cash Awards

We maintain the Francesca's Holdings Corporation Executive Bonus Plan (the "Executive Bonus Plan") to provide eligible employees of the Company and our subsidiaries with annual performance-based cash award opportunities linked to our annual financial performance and the qualitative assessment of each executive's individual performance. The Executive Bonus Plan was adopted under our equity incentive plan, which has been approved by our stockholders and includes provisions for a cash bonus feature that is designed to qualify as deductible performance-based compensation under Section 162(m) of the U.S. Internal Revenue Code ("Section 162(m)"). The purposes of the Executive Bonus Plan are: (1) to promote the interests of the Company and its stockholders by providing compensation opportunities that are competitive with other companies; and (2) to provide performance-based cash awards to those individuals who contribute to the long-term performance and growth of the Company.

The target annual bonus for each eligible executive is set at a percentage of the executive's base salary. Pursuant to their employment letter agreements, the target award amounts for fiscal year 2016 were 50% of base salary for each of Ms. Dilts, Mr. Malik and Ms. Hummel. The Compensation Committee determined it was appropriate for Ms. Thomassee's target award with respect to fiscal year 2016 to increase to 40% of her base salary in light of her promotion to Senior Vice President, Chief Accounting Officer. As described above, Mr. Kunes also participated in the fiscal year 2016 program at a target bonus of 100% of his base salary for

TABLE OF CONTENTS

the period he served as Interim CEO, with his bonus to be based upon Company's performance for the second half of the year and his individual performance while serving as Interim CEO. Upon his appointment as Chief Executive Officer in September 2016, Mr. Lawrence's target award amount was established in his employment letter agreement at 100% of his base salary, and the Compensation Committee determined he would be eligible to participate in the fiscal year 2016 bonus program on the same terms as the Company's other executive officers, except that any award he received would be prorated to reflect his period of employment during the fiscal year. The Compensation Committee determined, in its judgment, that the target bonus amounts for the named executive officers were reasonable based on the Compensation Committee's expertise and knowledge of general industry practices and consideration of the factors identified above. Pursuant to his employment letter agreement, Mr. Barnes' target award amount was set at 150% of his base salary at the beginning of the fiscal year. However, he was not eligible to receive any bonus for fiscal year 2016 as his employment with the Company terminated during the year.

Under the Executive Bonus Plan, we must achieve the threshold performance goal as noted in the table below for any bonuses to be payable for the fiscal year. For fiscal year 2016, if either threshold goal was achieved, each executive's bonus would be based 75% on Company performance and 25% on individual performance. With respect to the 75% Company performance component, one-half (or 37.5% of total) is based on the achievement of net sales growth and one-half (or 37.5% of total) is based on the achievement of operating income. The Company's performance targets and the corresponding payout percentage for fiscal year 2016, which were approved by the Board of Directors and adopted by the Compensation Committee at the beginning of the fiscal year, are as follows:

Fiscal Year 2016 Performance Targets (Full Year)

Performance Level	Net Sales Growth	Operating Income	Payout Percentage
Below Threshold	Less than 10%	Less than \$55.1 million	0%
Threshold	10%	\$55.1 million	25%
Target	13%	\$69.1 million	100%
Maximum	16% or more	\$82.6 million or more	150%

As noted above, Mr. Kunes' bonus opportunity was based on Company's performance for the second half of the fiscal year and his individual performance while serving as Interim CEO. The Board of Directors approved, and the Compensation Committee adopted, the performance targets and payout percentages for his bonus opportunity as follows:

Fiscal Year 2016 Performance Targets (Second Half)

Performance Level	Net Sales Growth	Operating Income	Payout Percentage
Below Threshold	Less than 6%	Less than \$27.8 million	0%
Threshold	6%	\$27.8 million	25%
Target	8%	\$34.8 million	100%
Maximum	10% or more	\$41.6 million or more	150%

The Compensation Committee chose net sales growth and operating income to measure Company performance for the fiscal year 2016 bonus program because these metrics represent objectively determinable financial targets that we believe indicate our growth and overall success. The Compensation Committee established performance targets at levels it believed to be challenging yet attainable. For these purposes, "net sales growth" is the net sales growth percentage for fiscal year 2016 compared to fiscal year 2015 as determined in accordance with generally accepted accounting principles ("GAAP") and "operating income" is net sales minus cost of goods sold, occupancy and selling, general and administrative expenses as determined in accordance with GAAP. The payout percentage for each metric is determined by linear interpolation if the Company's actual performance falls between the levels provided in the table above. No bonuses would be payable under the Executive Bonus Plan for fiscal year 2016 if neither of the threshold goals for these metrics were achieved.

TABLE OF CONTENTS

If the threshold performance goal was achieved, each participant's bonus would be based: (a) 37.5% on the level of net sales growth achieved for fiscal year 2016 ("net sales growth component"), (b) 37.5% on the level of operating income achieved for fiscal year 2016 ("operating income component"), and (c) 25% on the participant's individual performance ("individual performance component"). The bonus for each component would be determined by multiplying the relative weighting for the component by a payout percentage (determined as described above for the net sales growth and operating income components and, as to the individual performance component, on the Compensation Committee's qualitative assessment of each executive's individual performance during the year). For fiscal year 2016, the qualitative assessment of each named executive officer's individual performance metric was intended to measure the executive's performance of the duties, tasks and activities the executive was asked to perform in his or her respective role with the Company during the year. The Compensation Committee retains the discretion to reduce, but not increase, the amount of any bonus otherwise payable to our executive officers based on such factors as it deems appropriate.

In March 2017, the Compensation Committee determined that, for fiscal year 2016, we achieved net sales growth of approximately 10.9% over fiscal year 2015, resulting in a payout percentage of approximately 47% for the net sales growth component and operating income of approximately \$66.0 million (such amount being the Company's operating income as determined under GAAP, reduced by a \$2.0 million net benefit associated with the resignation of Mr. Barnes), resulting in a payout percentage of approximately 84% for the operating income component. For purposes of determining Mr. Kunes' bonus, which as noted above, only the Company performance for the second half of fiscal year 2016 was taken into account. The Compensation Committee determined that for the second half of fiscal year 2016 we achieved net sales growth of approximately 11.5% over the same period of fiscal year 2015, resulting in a payout percentage of 150%, and operating income of approximately \$39.4 million, resulting into a payout percentage of 133%.

Accordingly, the Compensation Committee determined that the payout percentage for Company performance for each named executive officer (other than Mr. Kunes) who was eligible for a fiscal year 2016 bonus was 65.5% based on the actual achievement of 47% for the net sales growth component and 84% for the operating income component. The Compensation Committee determined that the payout percentage for Company performance for Mr. Kunes was 141.5% based on the actual achievement of 150% for the net sales growth component and 133% for the operating income component. The Compensation Committee also determined that, in order to promote stability across the management team, these same percentages would be applied to the individual performance component for each executive, so that each named executive officer was awarded a fiscal year 2016 bonus of 65.5% of his or her target bonus (or, in the case of Mr. Kunes, 141.5% of his target bonus). As noted above, Mr. Barnes was not eligible for a fiscal year 2016 bonus as his employment terminated during the year.

Discretionary Cash Bonus

During fiscal year 2016, the Compensation Committee awarded a discretionary cash bonus of \$30,000 to Ms. Thomasee in recognition of her assumption of additional duties and responsibilities following the resignation of Mr. Mark Vendetti as our Senior Vice President, Chief Financial Officer in December 2015. The discretionary cash bonus is reported in the "Summary Compensation Table" below.

Equity-Based Awards

As discussed throughout this Compensation Discussion and Analysis, in order to further align the interests of our named executive officers with those of the Company's stockholders, the Compensation Committee has determined that a significant portion of each named executive officer's compensation opportunities should be in the form of equity-based awards. Equity-based awards are made under, and subject to the terms of, our stockholder-approved equity incentive plan. In general, all equity-based awards to our named executive officers are determined at the discretion of our Compensation Committee after consideration of the factors noted above under "*Determination of Compensation.*" In addition, our Compensation Committee considers the named executive officer's current position with the Company, the size of his or her total compensation package and the executive's existing vested and unvested equity-based awards.

Beginning with fiscal year 2014, grants to our executive officers under our annual equity award program have been in the form of restricted stock that vests based on achievement of pre-established performance goals.

TABLE OF CONTENTS

Each award consists of a three-year performance period, and the executive is generally required to remain employed with the Company through the entire three-year performance period in order for any portion of the award to vest. The Compensation Committee currently expects to continue to grant equity-based awards in the form of performance-based restricted stock on an annual basis. However, the Compensation Committee retains the flexibility to consider Company and individual performance and any other factors it considers appropriate in determining the type, level and design of any equity award grant.

2016 Performance Stock Awards. In March 2016, we granted each of our named executive officers then employed by us a performance stock award expressed as a dollar value. Such dollar value was converted into a target number of shares of performance-based restricted stock by reference to the fair market value of our common stock at the date of grant. The performance-based restricted stock awards are subject to both time-based and performance-based vesting requirements, where the executive can earn between 0% and 150% of the target number of shares subject to the award based upon achievement of the performance goals described below for the three-year period comprised of the Company's fiscal years 2016, 2017 and 2018. Unlike the Company's annual equity grants for fiscal years 2014 and 2015, the fiscal year 2016 grants are based on performance over the entire three-year award period (as opposed to vesting annually based on achievement of performance goals for each year covered by the award). In approving this structure, the Compensation Committee believed measuring performance over the entire three-year period would help create additional incentives for executives to focus on the long-term performance and success of the Company.

Vesting of the fiscal year 2016 performance stock awards is determined as follows: (a) 40% of the target number of shares subject to the award will become eligible to vest based upon achievement of the target level of compound annual growth rate ("CAGR") for the Company's net sales ("Net Sales") established by the Compensation Committee for the performance period; (b) 40% of the target number of shares subject to the award will become eligible to vest based upon achievement of the target level of CAGR for the Company's earnings per share ("EPS") established by the Compensation Committee for the three-year performance period covered by the award; and (c) 20% of the target number of shares subject to the award will become eligible to vest based upon achievement of the target level of the Company's return on invested capital ("ROIC") established by the Compensation Committee for the performance period. The Compensation Committee also established a threshold and maximum performance level for each metric, with the vesting percentage for each metric to be determined in accordance with the following table:

<u>Performance Level for Metric</u>	<u>Vesting Percentage for That Metric</u>
Below Threshold	0%
Threshold	75%
Target	100%
At or Above Maximum	150%

If the Company's actual performance for a particular metric is between the threshold and target, or between the target and maximum, performance levels, the vesting percentage for the portion of the award allocated to that metric will be determined by linear interpolation between the two levels. In addition, the vesting percentage for the Net Sales CAGR metric is subject to increase or decrease by up to 25% based on the Company's average annual growth in comparable sales over the three-year performance period against goals established by the Compensation Committee. However, in no event will the award vest as to more than 150% of the target number of shares subject to the award.

For purposes of these awards, "Net Sales" and "EPS" for a particular period are each as determined by the Company in accordance with GAAP (with EPS being subject to adjustments for stock splits, reverse stock splits, stock dividends and repurchases by the Company of its outstanding shares of common stock during the applicable period), and "ROIC" is calculated by dividing (a) the Company's income from operations less any income tax expense (each as determined in accordance with GAAP) for the particular period, by (b) the Company's average invested capital over the performance period (with "invested capital" being determined as the excess of the Company's total assets over its total liabilities, each as determined under GAAP and excluding certain amounts defined for purposes of the award as excess cash). Each performance metric is

TABLE OF CONTENTS

subject to adjustments to mitigate the unbudgeted impact of material, unusual or non-recurring gains and losses, accounting changes or other similar items specified by the Compensation Committee.

Shares of performance-based restricted stock subject to the award that become eligible to vest based on the Company's performance over the performance period will generally vest in one installment on the third anniversary of the date of grant of the award, subject to the executive's continued employment through that date.

The Compensation Committee believes that these performance-based restricted stock awards further link the interests of our executives with those of our stockholders (as the ultimate value of the award depends on our stock price since the award is denominated in shares of our common stock), as well as creating a significant long-term performance incentive (as vesting of the restricted stock depends on achievement of specified performance targets for the entire three-year performance period) and a long-term retention incentive (as the award is subject to a three-year time-based vesting period).

The following table sets forth the dollar value of the target number of shares of restricted stock granted by the Company in March 2016 to the named executive officers then employed by us:

Name	Restricted Stock Award⁽¹⁾
Michael Barnes	\$ 2,500,000 ⁽²⁾
Kal Malik	\$ 500,000
Laurie Hummel	\$ 500,000
Cynthia Thomassee	\$ 66,000

(1) These amounts are the values approved by the Compensation Committee in March 2016 and converted into the corresponding target number of shares of restricted stock based on the closing price of our common stock on the date of grant of the awards and rounded down to the nearest whole share. The number of shares represents the number of shares at the "target" level of performance, with between 0% and 150% of the target number of shares subject to the award becoming eligible to vest based on actual performance as described above.

(2) The award granted to Mr. Barnes terminated upon the termination of his employment with us in May 2016.

New-Hire CFO Performance Stock Award. In connection with her joining the Company as Chief Financial Officer in April 2016, Ms. Dilts was granted a performance-based restricted stock award. The award is subject to the same performance-vesting requirements as the fiscal year 2016 grants to our executives described above. The target number of shares subject to the award was determined by dividing \$350,000 by the closing price of our common stock on the last trading day before her start date.

New-Hire CEO Performance Stock Awards. Upon joining the Company as Chief Executive Officer in October 2016, Mr. Lawrence was granted a performance-based restricted stock award that is subject to the same performance-vesting requirements as the fiscal year 2016 grants to our executives described above. The target number of shares subject to the award was determined by dividing \$452,000 (which represents Mr. Lawrence's expected annual equity grant value under his employment agreement of \$1,500,000, prorated to reflect his period of employment with the Company during fiscal year 2016) by the closing price of our common stock on the last trading day before his start date. In order to more closely align Mr. Lawrence's interests with those of our stockholders, he was also granted a special performance-based equity award that vests based on our EPS, with one-third of the award vesting if our EPS exceeds \$0.75 for fiscal year 2017 and two-thirds of the award vesting if our EPS exceeds \$0.75 for fiscal year 2019. In each case, vesting of the award is generally subject to Mr. Lawrence's continued employment with the Company through the end of the applicable performance period.

2014 and 2015 Performance Stock Awards. In April 2014 and March 2015, we granted our executive officers and certain other key employees awards of performance stock for fiscal years 2014 and 2015, respectively. These awards, which included grants to Mr. Malik and Ms. Thomassee, consisted of three vesting tranches corresponding to the fiscal year in which the award was granted and each of the next two fiscal years

TABLE OF CONTENTS

thereafter. Mr. Barnes also received a fiscal year 2015 grant in March 2015; this award terminated upon the termination of his employment in May 2016.

For each of these awards, the Compensation Committee determined a target number of shares that would be eligible to vest between 0% and 150%. The awards are subject to both time-based and performance-based vesting requirements, with one-third of the award being eligible to vest based on the Company's performance during each fiscal year covered by the award and the entire award being subject to the executive's continued employment through the third anniversary of the grant date. For each annual vesting tranche, 50% of the target number of shares subject to that tranche is eligible to vest based upon achievement of the Net Sales Growth goal established by the Compensation Committee for the applicable fiscal year, and 50% of the target number of shares subject to the award is eligible to vest based upon achievement of the EPS goal established by the Compensation Committee for the applicable fiscal year. For these purposes, "Net Sales Growth" means, for a particular fiscal year, the Company's growth in Net Sales for the fiscal year as compared to the Company's Net Sales for the immediately preceding fiscal year, expressed on a percentage basis. Shares of performance-based restricted stock subject to the award that become eligible to vest based on Net Sales Growth or EPS performance during the applicable fiscal year will generally vest in one installment on the third anniversary of the date of grant of the award, subject to the executive's continued employment through that date.

For the fiscal year 2016 vesting tranche of these awards, the Compensation Committee established the following performance goals and vesting percentages for each metric (with the vesting percentage determined by linear interpolation for performance between the levels stated in the table):

<u>Performance Level</u>	<u>Net Sales Growth</u>	<u>EPS</u>	<u>Vesting Percentage</u>
Below Threshold	Less than 10%	Less than \$0.99	0%
Threshold	10%	\$0.99	75%
Target	13%	\$1.06	100%
Maximum	16% or more	\$1.16 or more	150%

Under applicable SEC and accounting rules, these performance-based awards are considered to be "granted" at the time the performance goals for the particular fiscal year are established. Accordingly, only the vesting tranche of each award that relates to performance for fiscal year 2016 is treated as granted during fiscal year 2016 and is reflected in the compensation tables below in this proxy statement. The vesting tranche of the fiscal year 2015 award that relates to fiscal year 2017 will be considered granted for accounting purposes in fiscal year 2017 when the applicable performance goals are established and will be reported in the tables as compensation for each executive for that fiscal year.

In March 2017, the Compensation Committee determined that our Net Sales Growth for fiscal year 2016 was 10.9%, resulting in a vesting percentage for this component of 82%, and that our EPS for fiscal year 2016 was \$1.09, resulting in a vesting percentage for this component of 115%. Accordingly, the fiscal year 2016 vesting tranche of these performance-based awards is eligible to vest as to 98% of the target number of shares, with vesting of these shares being subject to the executive's continued employment through the third anniversary of the applicable grant date.

Retention Stock Grants. In August 2016, the Compensation Committee approved grants of 10,917 shares of restricted stock (determined by dividing \$150,000 by the closing price of our common stock on the grant date) to each of Ms. Dilts and Mr. Malik. These awards are scheduled to vest in one installment on August 30, 2018, subject to the executive's continued employment with us through the vesting date. The Compensation Committee determined in its judgment that these grants were appropriate to provide an additional retention incentive for these executives. Although these grants are not subject to performance-based vesting requirements, we believe they serve to further align the interests of the recipients with those of our stockholders since the ultimate value of the grant is directly linked to our stock price.

TABLE OF CONTENTS

Interim CEO Option Grant. As noted above, Mr. Kunes served as our Interim CEO from May 2016 through October 2016. For his service as Interim CEO, Mr. Kunes was granted an option to purchase 76,628 shares of our common stock in June 2016 that would vest in full on the first anniversary of the grant date. However, the grant would be reduced on a pro-rata basis if a new Chief Executive Officer were appointed prior to the vesting date. Accordingly, upon Mr. Lawrence's appointment as Chief Executive Officer, the number of shares subject to this option grant was reduced to 38,419. The Compensation Committee determined that Mr. Kunes' equity award would be a stock option rather than restricted stock so that the award would be tied to performance (as an option only has value if the stock price increases after the grant date), but it would not be tied to a particular performance period (as the period of Mr. Kunes' service as Interim CEO was not known as it would cease immediately upon the appointment of a new Chief Executive Officer).

Additional information regarding the material terms of the equity awards granted to our named executive officers for fiscal year 2016 is set forth in the "*Grants of Plan-Based Awards During Fiscal Year 2016*" table and under the heading "*Equity Incentive Plan Awards*" below. Information regarding the material terms of the equity awards granted to our named executive officers following fiscal year 2016 is set forth below in this Compensation Discussion and Analysis under the heading, "*Actions Taken Subsequent to Fiscal Year 2016.*"

Additional Benefits

We provide our named executive officers with benefits on the same terms available to our employees generally, as well as relocation and other benefits in certain cases in connection with the hiring of new executives as described below.

Retirement Plan Benefits. We do not sponsor a defined benefit retirement plan as we do not believe that such a plan best serves the needs of our employees or the business at this time. However, we do sponsor a defined contribution ("401(k)") retirement plan. The 401(k) plan is generally available to all eligible employees, including our named executive officers, and allows them to elect to make contributions up to the maximum limits allowable under the tax laws. We currently provide a 100% matching contribution on the first 3% of employee contributions and an additional 50% matching contribution on the next 2% of employee contributions. Employees' contributions and Company matching contributions vest immediately.

Health and Welfare Benefits. Our named executive officers have the option to participate in various employee welfare benefit programs, including medical, dental and life insurance benefits. These benefit programs are generally available to all employees.

Relocation Assistance. The Company's business needs require, on occasion, to relocate certain employees. To meet this need, we may, on a case by case basis, cover certain expenses, including temporary housing, relocation, living and travel expenses. As noted in the "*Summary Compensation Table*" below, we reimbursed Ms. Hummel for certain moving and other relocation expenses in connection with her joining the Company. Ms. Hummel's relocation benefits are subject to repayment to the Company if she voluntarily terminates her employment within the first 12 months after her hire date.

Other Benefits. Under our employment letter agreements with certain named executive officers entered into prior to 2014, we provided an annual fixed dollar amount to apply towards the purchase of additional benefits of their choosing. The annual dollar amount of this benefit for each executive was based on the executive's position within the Company and the Compensation Committee's subjective assessment of industry practices. As of the end of fiscal year 2016, this benefit is no longer provided to the Company's executive officers other than for Ms. Thomassee, who served as Interim Chief Financial Officer for a portion of the fiscal year.

Employment Agreements, Severance and Change in Control Benefits

Employment Agreements

Amounts paid to our named executive officers in fiscal year 2016 were based on employment letter agreements in place with each executive, except that we did not have an employment letter agreement with Mr. Kunes or Ms. Thomasee. Each employment letter agreement specifies the executive's initial annual base salary and target bonus, as well as the executive's eligibility to participate in the Company's benefit plans. We believe that it is in the best interests of the Company to enter into employment agreements with our executives to help foster long-term retention, and promote stability among the management team, while still allowing the Compensation Committee to exercise considerable discretion in designing our incentive compensation program and rewarding performance. The employment letter agreements we have entered into with our named executive officers are described in further detail in the narrative following the "*Summary Compensation Table*" below.

Severance

The employment letter agreements we have entered into with our named executive officers also generally provide for severance and other benefits which are designed to provide economic protection so that an executive can remain focused on our business without undue personal concern in the event that his or her position is eliminated or, in some cases, significantly altered by the Company, which we believe is particularly important in light of the executives' leadership roles at the Company. The Compensation Committee believes that providing severance or similar benefits is common among similarly situated executives in the specialty retail industry generally and remains important in recruiting and retaining key executives. For more information regarding the potential payments and benefits that would be provided to our named executive officers in connection with certain terminations of their employment (including terminations in connection with a change in control) on the last business day of fiscal year 2016, please see "*Potential Payments upon Termination or Change in Control*" below.

Change in Control Provisions

The prospect of a change in control of the Company can cause significant distraction and uncertainty for executive officers and, accordingly, the Compensation Committee believes that appropriate change in control protections are important tools for aligning executives' interests with those of our stockholders by allowing our executive officers to focus on strategic transactions that may be in the best interest of our stockholders without undue concern regarding the effect of such transactions on their continued employment. Accordingly, as described in "*Potential Payments upon Termination or Change in Control*" below, awards granted pursuant to our stock incentive plans may vest, at the discretion of the plan administrator, in certain circumstances upon a change in control (as defined in the plan or the applicable award agreement). In addition, the equity-based awards granted to our named executive officers during fiscal year 2016 (other than the stock option granted to Mr. Kunes as Interim CEO) provide for accelerated vesting of the award if the executive's employment is involuntarily terminated in connection with a change in control of the Company. For more information regarding these provisions of our equity awards, please see "*Potential Payments upon Termination or Change in Control*" below.

We do not provide our executives with tax "gross-up" payments in connection with a termination of their employment and/or a change in control of the Company.

Actions Taken Subsequent to Fiscal Year 2016

In March 2017, the Compensation Committee approved the compensation program for fiscal year 2017 for each of our current executive officers. Each executive was granted a bonus opportunity under the Executive Bonus Plan, with 75% of the bonus relating to Company performance and 25% of the bonus relating to individual performance. The Company's performance will be measured against pre-established goals based on net sales growth and operating margin achieved for the fiscal year, with each of these two metrics weighted equally. Bonuses under the Executive Bonus Plan for fiscal year 2017 are contingent on achievement of minimum performance levels established for each metric (so that 37.5% of the total bonus opportunity will be payable only if the threshold level for net sales growth is achieved and 37.5% of the total bonus opportunity will be payable only if the threshold level for operating margin is achieved). The target bonus for each named executive officer is the same as his or her target bonus for fiscal year 2016 identified above.

Each executive was also granted a restricted stock award in March 2017, with the dollar value of each such award approved by the Compensation Committee as set forth below:

Name	Performance Stock Award
Steven P. Lawrence	\$ 1,500,000
Kal Malik	\$ 500,000
Laurie Hummel	\$ 500,000
Kelly M. Dilts	\$ 500,000

Each of these stock awards consists of two components: (1) performance-based award with respect to a target number of shares determined by dividing 65% of the dollar amount of the award by the closing price of our common stock on the grant date, and (2) time-based award with respect to a number of shares determined by dividing 35% of the dollar amount by the closing price of our common stock on the grant date. The performance award covers a three-year period consisting of fiscal years 2017, 2018 and 2019 and generally has the same structure as the fiscal year 2016 performance awards described above, with vesting of the award determined based on the Company's net sales CAGR for the three-year performance period (weighted 40% and subject to a modifier based on comparable sales growth for that period), the Company's EPS CAGR for that period (weighted 40%), and the Company's ROIC for that period (weighted 20%), in each case as measured against performance targets established by the Compensation Committee. Vesting of these awards is also contingent on the executive's continued employment with us through the entire three-year period covered by the award. The performance-based award may vest as to between 0% and 150% of the target number of shares subject to the award. Each of the time-based awards is scheduled to vest in one installment on the third anniversary of the grant date.

The Compensation Committee also approved increases in the base salary levels for each of Mr. Malik, Ms. Hummel and Ms. Dilts of between 2% and 3%. Mr. Lawrence's base salary was established in his employment agreement effective in October 2016 and was not changed for fiscal year 2017.

Tax Considerations

In determining which elements of compensation are to be paid, and how they are weighted, we take into account whether a particular form of compensation will be deductible under Section 162(m). Section 162(m) generally limits the deductibility of compensation paid to our Chief Executive Officer and certain other executive officers to \$1 million during any fiscal year unless such compensation is "performance-based" under Section 162(m). Our intent generally is to design and administer our executive compensation program in a manner that will preserve the deductibility of compensation paid to our executive officers. However, we reserve the right to design programs that we believe best satisfy the objective of our executive compensation program, even where the compensation paid under such programs may not be deductible. In any event, there can be no assurance that compensation intended to qualify for deductibility under Section 162(m) awarded or paid by the Company will be fully deductible.

Share Ownership Guidelines

In September 2015, our Compensation Committee adopted the Amended Share Ownership Guidelines (the “Share Ownership Guidelines”) applicable to each of our Chief Executive Officer, President, Chief Operating Officer, Chief Administrative Officer, Chief Financial Officer, Chief Merchandising Officer, any Executive Vice President, any Senior Vice President and any Vice President who is awarded equity-based compensation (collectively, “Senior Officers”). The purpose of the Share Ownership Guidelines is to further align the interests of our management with those of our stockholders. Under the Share Ownership Guidelines, each Senior Officer shall hold “qualifying stock” with a value equal to a certain multiple of the participant’s base salary. The multiples to be applied are as follows: (1) five times the base salary for our Chief Executive Officer; (2) three times the base salary for our President, Chief Operating Officer, Chief Administrative Officer, Chief Financial Officer, Chief Merchandising Officer and any Executive Vice President; (3) two times the base salary for any Senior Vice President; and (4) one times base salary for any Vice President. In March 2017, our Compensation Committee amended the Share Ownership Guidelines so that Vice Presidents are no longer subject to these ownership requirements and any shares withheld to meet federal and state withholding tax withholding requirements are not subject to the Share Ownership Guidelines. No Senior Officer may dispose of his or her “qualifying stock” unless the guidelines have been met on or before the date of such disposition and, after giving effect to such disposition, the participant will continue to satisfy the guidelines. “Qualifying stock”, as defined by the Share Ownership Guidelines, includes (1) shares of our common stock held by the Senior Officer in a brokerage account for the individual’s benefit, in trust or through a tax qualified retirement plan, (2) shares of our common stock held by the Senior Officer’s spouse, (3) restricted stock, (4) restricted stock unit, and (5) “in the money” value of vested stock options to purchase our common stock held by such participant, determined as of each October 31 and calculated based on the preceding 30-day average per share trading price of our common stock. The Compensation Committee administers the Share Ownership Guidelines and may amend and or permit exceptions to the Share Ownership Guidelines as it deems appropriate in the circumstances.

(1) Mr. Lawrence was appointed as President and Chief Executive Officer effective as of October 10, 2016. The “Bonus” column includes the signing bonus and “make-whole” payment provided under his employment agreement in connection with his joining the Company as described in the “*Compensation Discussion and Analysis — New CEO and CFO Employment Agreements*” above.

(2) Ms. Dilts was appointed as Executive Vice President and Chief Financial Officer effective April 18, 2016.

(3) Mr. Kunes served as Interim President and Chief Executive Officer from May 16, 2016 to October 15, 2016. He served on our Board of Directors for all of fiscal year 2016, but during the period he served as Interim President and Chief Executive Officer, he did not receive compensation for his service as a director. The table above reports his compensation for the entire fiscal year 2016. The amount of his cash retainers for service on the Board of Directors in fiscal year 2016 is included in the “All Other Compensation” column and reported in note (9) below. He did not receive any equity-based or other compensation for his service as a director in fiscal year 2016.

(4) Mr. Barnes was appointed as President and Chief Executive Officer effective December 4, 2014. He resigned as President and Chief Executive Officer effective May 15, 2016.

TABLE OF CONTENTS

- (5) Ms. Thomassee served as Interim Chief Financial Officer from December 4, 2015 through April 18, 2016. She also served as Senior Vice President, Chief Accounting Officer Controller throughout fiscal year 2016. The “Bonus” column includes a one-time discretionary cash bonus. The table above reports her compensation for the entire fiscal year 2016.
- (6) The amounts reported in these columns for each fiscal year reflect the fair value on the grant date of the stock awards and option awards granted to our named executive officers for the fiscal year. These values have been computed in accordance with the FASB ASC Topic 718. For a discussion of the assumptions and methodologies used to calculate the amounts referred to above, please see the discussion contained in Notes 1 and 7 to the audited consolidated financial statements included as part of our Annual Report on Form 10-K for the fiscal year ended January 28, 2017, filed with the SEC on March 22, 2017.
- (7) A portion of the amounts reported in the “Stock Awards” column reflects the grant-date fair value of performance-based restricted stock awards granted to the executives in fiscal years 2014, 2015 and 2016 assuming the target level of performance conditions was achieved. These amounts were based on the probable outcome (as of the grant date) of the performance-based conditions applicable to the awards, as determined under generally accepted accounting principles. The following table presents the aggregate grant-date fair value of these performance-based awards granted in fiscal years 2014, 2015 and 2016 included in the “Stock Awards” column for these fiscal years and the aggregate grant-date fair value of these awards assuming that the highest level of performance conditions was achieved.

Employment Agreements

Amounts paid to our named executive officers in fiscal year 2016 were based on employment letter agreements in place with each of the named executive officers, other than for Ms. Thomasee and Mr. Kunes. Below is a general description of the material terms of these agreements related to the compensation and benefits provided to our named executive officers. Provisions of these agreements relating to post-termination of employment benefits are discussed below under “— *Potential Payments Upon Termination or Change in Control.*”

Steven P. Lawrence

In September 2016, Mr. Lawrence entered into an employment letter agreement with the Company providing for his employment as our President and Chief Executive Officer. The letter agreement has an indefinite term and provides for Mr. Lawrence to receive an initial annual base salary of \$775,000 and to be eligible to participate in the Company’s annual bonus plan as in effect from time to time, with a target annual bonus opportunity of 100% of his annual base salary for the applicable fiscal year. In addition, the letter agreement provides for (i) a signing bonus of \$300,000, which Mr. Lawrence will be required to repay to the Company if he voluntarily resigns or is terminated by the Company for “cause” (as defined in the letter agreement) within 12 months after his start date, and (ii) a “make-whole” payment to compensate him for the annual bonus opportunity with his prior employer that he will forfeit in connection with his joining the Company (to be determined based on a pro-rated target bonus amount and his prior employer’s actual performance for the current fiscal year). The agreement also provides for Mr. Lawrence to participate in the Company’s employee savings and welfare benefit plans made available to the Company’s employees generally, in accordance with the provisions of such programs as in effect from time to time.

The letter agreement also provides for the grant to Mr. Lawrence of two performance-based stock awards in connection with his joining the Company. The terms of these awards are described under “*Compensation Discussion and Analysis — Current Executive Compensation Program Elements — Equity-Based Awards*” above. Commencing in fiscal year 2017, Mr. Lawrence will also be eligible for annual equity awards, with the grant levels and terms of the awards to be determined by the Compensation Committee of the Board of Directors in its discretion and the expectation being that the grant date value of these awards will not be less than \$1,500,000.

The letter agreement also includes certain restrictive covenants, including provision that, during the period of Mr. Lawrence’s employment and for a period of 12 months following a termination of his employment for any reason, Mr. Lawrence will not compete with the Company or its affiliates or solicit any Company employees or customers.

Kelly M. Dilts

In March 2016, Ms. Dilts entered into an employment letter agreement with the Company providing for her employment as our Chief Financial Officer. The letter agreement has an indefinite term and provides for Ms. Dilts to receive an initial annual base salary of \$350,000 and to be eligible to participate in the Company’s annual bonus plan as in effect from time to time, with a target annual bonus opportunity of 50% of her base salary for the applicable fiscal year. The letter agreement also provides for Ms. Dilts to participate in the Company’s employee savings and welfare benefit plans made available to the Company’s employees generally, in accordance with the provisions of such programs as in effect from time to time, and that she will be granted shares of restricted stock with a value of \$350,000. The terms of this award are described under “*Compensation Discussion and Analysis — Current Executive Compensation Program Elements — Equity-Based Awards*” above.

The letter agreement also includes certain restrictive covenants, including the provision that, during the period of Ms. Dilts’ employment and for a period of 12 months following a termination of her employment for any reason, she will not compete with the Company or its affiliates or solicit any Company employees or customers.

Under the letter agreement, Mr. Malik is eligible to receive an annual incentive bonus pursuant to our annual bonus plan as in effect from time to time, with his target annual incentive bonus to be set at 50% of his base salary. As noted above, Mr. Barnes resigned as Chairman, President and Chief Executive Officer and terminated employment with us effective May 15, 2016.

Non-Equity Incentive Plan Awards

For a description of the material terms of the non-equity incentive plan awards reported in the table above, see "*Compensation Discussion and Analysis — Current Executive Compensation Program Elements — Annual Performance-Based Cash Awards.*"

Equity Incentive Plan Awards

Each of the equity incentive awards reported in the "*Grants of Plan-Based Awards During Fiscal Year 2016*" table above was granted under, and is subject to, the terms of the 2015 Plan or its predecessor, the 2011 Equity Incentive Plan (the "2011 Plan"). These plans are administered by the Compensation Committee. The Compensation Committee has authority to interpret the plan provisions and make all required determinations under the plan. Awards granted under the plans are generally not transferable other than by will or the laws of descent and distribution, except that the plan administrator may authorize certain transfers.

TABLE OF CONTENTS

Generally, and subject to limited exceptions set forth in the 2011 Plan and 2015 Plan, if we dissolve or undergo certain corporate transactions such as a merger, business combination, or other reorganization, or a sale of substantially all of our assets, all awards then-outstanding under these plans may, at the administrator’s discretion, become fully vested and, in the case of options, exercisable, and will terminate or be terminated in such circumstances, unless the plan administrator provides for the assumption, substitution or other continuation of the award. The plan administrator also has the discretion to establish other change in control provisions with respect to awards granted under these plans.

Each of the equity awards granted to our named executive officers in fiscal year 2016, other than the option granted to Mr. Kunes for his service as Interim CEO, was in the form of restricted stock. Each restricted stock award has no voting rights attached to the award but is entitled to dividend rights, provided that any cash dividends paid on any unvested and forfeited shares must be repaid to the Company. For a description of the vesting terms of the equity incentive awards reported in the table above, see “*Compensation Discussion and Analysis — Current Executive Compensation Program Elements — Equity-Based Awards.*”

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The following section describes the benefits that may become payable to our named executive officers in connection with a termination of their employment with us and/or a change in control of the Company. In addition to such benefits, outstanding equity-based awards held by our named executive officers may also be subject to accelerated vesting in connection with a change in control of the Company under the terms of our stock incentive plans on a discretionary basis. Our named executive officers are not entitled to any enhanced severance benefits in connection with a termination of their employment with us due to their death or disability or in connection with a change in control of the Company. Due to the number of factors that affect the nature and amount of any benefits provided upon the events discussed below, any actual amounts paid or distributed may be different from what is presented herein. Factors that could affect these amounts include the timing during the year of any such event.

Employment Agreements

The employment letter agreements we have entered into with our named executive officers (other than Ms. Thomassee and Mr. Kunes) provide for severance payments to be made in connection with certain terminations of the named executive officer's employment. Below is a description of the severance benefits that would have become payable under the employment letter agreements with our named executive officers in connection with certain terminations of their employment as of January 28, 2017.

Steven P. Lawrence

Mr. Lawrence's employment letter agreement provides that, in the event Mr. Lawrence's employment is terminated by the Company without "cause" or by Mr. Lawrence for "good reason," he will be entitled to cash severance pay in an amount equal his annual rate of base salary in effect at the time of his termination, payable over 12 months following his termination and subject to the execution of a general release of claims in favor of the Company and compliance with his covenants under his employment letter agreement. For purposes of Mr. Lawrence's letter agreement, "cause" generally is defined as (i) conviction of or plea of no contest to a felony, (ii) engaging in acts of fraud, dishonesty or other acts of material misconduct in the course of his duties, (iii) abuse of narcotics or alcohol that has or may reasonably harm the Company, (iv) violation of the Company's written policies, (v) failure to perform or uphold his duties and/or failure to comply with reasonable directives of our Board of Directors, or (vi) breach of any of the protective covenants in the letter agreement or material breach of the letter agreement or any other agreement with us. For purposes of Mr. Lawrence's letter agreement, "good reason" generally means (i) duties assigned by the Board of Directors that are materially inconsistent with the position of President and Chief Executive Officer, or a material reduction in duties, responsibilities or title, or (ii) any material breach by the Company of the employment letter agreement which has not been cured within 30 days after written notice has been provided. In the event Mr. Lawrence's benefits are subject to the excise tax imposed under Sections 280G and 4999 of the Code, the benefits will be reduced (but not below zero) so that the maximum amount of the benefits (after reduction) will be an amount that is \$1.00 less than the amount that would cause the benefits to be subject to such excise tax.

Other Named Executive Officers

The employment letter agreements with each of our other named executive officers currently employed by us (other than Ms. Thomassee and Mr. Kunes) provide that, in the event we terminate the executive's employment without "cause," the executive will be entitled to severance pay in an amount equal to one times his or her annual rate of base salary in effect at the time of the executive's termination, payable over a 12-month period, subject to the execution of a general release of claims in favor of the Company and compliance with the executive's covenants under the employment letter noted above. For purposes of these letter agreements, "cause" generally is defined as (i) commission of a felony, (ii) engaging in acts of fraud, dishonesty or other acts of material misconduct in the course of the executive's duties, (iii) abuse of narcotics or alcohol that has or may reasonably harm the Company, (iv) violation of the Company's written policies, (v) failure to perform or uphold the executive's duties and/or failure to comply with reasonable directives of the Company's Chief Executive Officer or Board of Directors, or (vi) breach of any of the protective covenants in the letter agreement or material breach of the letter agreement or any other agreement with us. In the event the executive's benefits are subject to the excise tax imposed under Sections 280G and 4999 of the Code, the benefits will be reduced (but not below zero) so that

TABLE OF CONTENTS

the maximum amount of the benefits (after reduction) will be an amount that is \$1.00 less than the amount that would cause the benefits to be subject to such excise tax.

Equity Awards

As described in the “*Compensation Discussion and Analysis*” above, each of our named executive officers (other than Mr. Kunes) was granted an annual performance-based restricted stock award during fiscal 2016. Under the terms of these awards, if, prior to the third anniversary of the award grant date, (1) there occurs a change in control of the Company or (2) the executive’s employment with the Company is terminated without “cause,” or by the executive for “good reason” (as these terms are defined in the award agreement evidencing the award) or due to the executive’s death, the following rules apply:

- If such a termination of the executive’s employment occurs before the last day of fiscal year 2018 and prior to any change in control, the shares of restricted stock subject to the award will be subject to adjustment and pro-rated vesting as follows: (A) the number of such shares that will be eligible to vest will be determined as though the performance period for the award ended as of the termination of employment date, the applicable performance goals will be pro-rated based on the number of days in the original performance period that elapse prior to the termination of employment, and the vesting of the shares will be determined based on actual performance for such shortened performance period against such pro-rated goals; (B) the number of shares that are determined to be eligible to vest based on such shortened performance period, if any, will be pro-rated based on the number of days in the original performance period that elapse prior to the termination of the executive’s employment; and (C) any restricted shares that are deemed eligible to vest based on this calculation will immediately vest. Any restricted shares subject to the award that relate to the portion of the performance period after the termination of employment date will be forfeited. If such termination of the executive’s employment occurs after the last day of fiscal year 2018 and before the third anniversary of the grant date, the vesting of the award will be determined based on actual performance for the entire three-year performance period, and the number of shares deemed eligible to vest based on this calculation will immediately vest.
- If a change in control of the Company occurs during the executive’s employment and prior to last day of fiscal year 2018, and if either the award is not assumed upon the change in control or the award is assumed and the executive’s employment is terminated by the Company without cause or by the executive for good reason in connection with or within 12 months after the change in control, the performance period will be deemed to have ended on the last day of the fiscal year prior to the fiscal year in which the change in control or termination of the executive’s employment, as applicable, occurs, and the vesting of the award will be determined (1) with respect to the portion of the award allocable to the shortened performance period, based on actual performance for that period against performance goals pro-rated to reflect the shortened period as described above; and (2) with respect to the remainder of the award, by applying the greater of the vesting percentage determined for the shortened performance period as described in clause (1) above or 100% to the target number of shares allocable to the remaining fiscal years of the original performance period.

Certain named executive officers were also granted a performance-based restricted stock award during fiscal years 2014 and 2015 that remained outstanding as of the last day of fiscal year 2016. Under the terms of these awards, if, prior to the third anniversary of the award grant date, (1) there occurs a change in control of the Company or (2) the executive’s employment with the Company is terminated without “cause,” or by the executive for “good reason” (as these terms are defined in the award agreement evidencing the award) or due to the executive’s death, the following rules apply:

- Any shares of restricted stock subject to the award that have been deemed eligible to vest with respect to a performance year that occurred prior to the performance year in which the change in control or termination of employment, as applicable, occurs will immediately vest.
- The shares of restricted stock subject to the award that are eligible to vest with respect to the performance year in which the change in control or termination of employment occurs will be subject to adjustment and pro-rated vesting as follows: (A) the number of such shares that will become eligible to vest will be determined as though the applicable performance year ended as of

TABLE OF CONTENTS

the change of control or termination of employment date, as applicable, the performance goals for such performance year will be pro-rated based on the number of days in that performance year that elapse prior to the occurrence of the change in control or the termination of employment, as applicable, and the performance conditions applicable to such shares will be determined based on actual performance for such shortened performance period against such pro-rated goals; (B) the number of shares that are determined to be eligible to vest based on such shortened performance period, if any, will be pro-rated based on the number of days in the applicable performance year that elapse prior to the occurrence of the change in control or the termination of the executive's employment, as applicable; and (C) any restricted shares that are deemed eligible to vest based on this calculation will immediately vest.

- Any restricted stock subject to the award that relate to a performance year after the performance year in which the change in control or termination of employment, as applicable, occurs will be forfeited.

In addition, as described in the Compensation Discussion and Analysis above under "*Current Executive Compensation Program Elements — Equity Based Awards*", Mr. Lawrence was granted a special performance-based stock award on October 10, 2016 in connection with his appointment as our President and Chief Executive Officer that generally vests with respect to one-third of the award based on our EPS during fiscal year 2017, subject to Mr. Lawrence's employment with us through October 10, 2017 (the "2017 tranche"), and with respect to two-thirds of the award based on our EPS during fiscal year 2019, subject to Mr. Lawrence's employment with us through October 10, 2019 (the "2019 tranche"). If, prior to October 10, 2019, Mr. Lawrence's employment with the Company is terminated by us without "cause," by him for "good reason" (as these terms are defined in his employment letter agreement) or due to his death, the following shall apply:

- If such termination of employment occurs before October 10, 2017, the 2017 tranche will remain open and eligible to vest if the EPS goal for fiscal year 2017 is met, subject to pro-ration to reflect Mr. Lawrence's period of employment after the October 10, 2016 grant date. The 2019 tranche will be cancelled.
- If such termination of employment occurs on or after October 10, 2017 and prior to October 10, 2019, the 2019 tranche will remain open and eligible to vest if the EPS goal for fiscal year 2019 is met, subject to pro-ration to reflect Mr. Lawrence's period of employment between October 10, 2017 and October 10, 2019.

If a change in control occurs before the end of fiscal year 2019, the EPS performance requirement for any performance period that has not yet been completed will no longer apply, and the vesting of the shares subject to that performance period will be subject to Mr. Lawrence's continued employment through the applicable vesting date, provided that if the award is not assumed upon the change in control, or if the award is assumed and Mr. Lawrence's employment is terminated by the Company without cause or by him for good reason in connection with or within 12 months after the change in control, the award, to the extent then outstanding, will fully vest.

In addition, we have granted awards of restricted stock to certain executive officers that are subject to time-based vesting. These awards will fully vest if, in connection with or within 12 months following a change in control of the Company, the executive's employment is terminated by the Company without cause or by the executive for good reason (as such terms are defined in the award agreement), subject to the executive's providing a release of claims in favor of the Company.

As noted above under "*Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table — Equity Incentive Plan Awards*," awards granted under our equity incentive plans generally may, at the administrator's discretion, become fully vested and, in the case of options, exercisable upon a change in control, unless the plan administrator provides for the assumption, substitution or other continuation of the award.

Estimated Potential Termination Payments and Benefits

The following tables present our estimates of the value of the payments and benefits that each of our named executive officers with severance or acceleration provisions would have been entitled to receive (1) had his or her employment been terminated by us without “cause” on January 28, 2017 and (2) had both such a termination of the executive’s employment and a change in control of the Company occurred on that date. The value of the acceleration of equity awards reported in the tables is based on the closing price of our common stock on the last trading day of fiscal year 2016, which was \$16.98 per share. The actual amounts that would be paid upon a named executive officer’s termination of employment and/or a change in control can only be determined at the time of such event.

Severance Benefits (No Change in Control)

Executive	Cash Severance (\$)⁽¹⁾	Equity Vesting (\$)⁽²⁾⁽³⁾⁽⁴⁾	Total (\$)
Steven P. Lawrence	775,000	102,281	877,281
Kal Malik	405,000	869,987	1,274,987
Laurie Hummel	460,000	105,938	565,938
Kelly M. Dilts	350,000	71,130	421,130
Cynthia Thomassee	—	52,163	52,163

- (1) The severance amounts reported for each of the named executive officers (other than Ms. Thomassee) represent one times the executive’s base salary. As noted above, Mr. Lawrence would also be entitled to these benefits if he terminated his employment with good reason.
- (2) The amounts in this column reflect the value of the shares that would have vested upon an involuntary termination of the executive’s employment as described above outside of the context of a change in control.
- (3) Includes one-third of the performance-based awards granted to each executive in fiscal year 2016 as one-third of the three-year performance period had elapsed as of January 28, 2017. As noted above, the special performance-based award granted to Mr. Lawrence would be held open following such a termination and remain eligible to vest based on fiscal year 2017 performance. No value has been included in the table for this award as fiscal year 2017 performance is not known.
- (4) As described above, a portion of the performance-based awards granted to Mr. Malik and Ms. Thomassee in fiscal years 2014 and 2015 became eligible to vest based on our performance during fiscal year 2016, with vesting in each case being subject to the executive’s continued employment with us through the third anniversary of the original grant date of the award. The amounts in this column reflect the value of the shares credited based on fiscal years 2014, 2015 and 2016, performance, as applicable, that would have accelerated upon an involuntary termination of the executive’s employment as described above.

Change in Control Benefits

Executive⁽¹⁾	Equity Vesting (\$)⁽²⁾⁽³⁾⁽⁴⁾⁽⁵⁾⁽⁶⁾
Steven P. Lawrence	1,950,339
Kal Malik	1,376,381
Laurie Hummel	578,355
Kelly M. Dilts	472,044
Cynthia Thomassee	94,528

- (1) If the executive’s employment were terminated by the Company without cause (or, in the case of Mr. Lawrence, by him for good reason) in connection with or following a change in control, the executive would be entitled to the cash severance benefits identified in the table above.
- (2) The amounts in this column reflect the value of the shares that would have vested upon an involuntary termination of the executive’s employment as described above in connection with a change in control.
- (3) Includes the value attributable to the accelerated vesting of the special performance-based award granted to Mr. Lawrence.

TABLE OF CONTENTS

- (4) Includes performance-based awards granted to each executive in fiscal year 2016.
- (5) As described above, a portion of the performance-based awards granted to Mr. Malik and Ms. Thomasee in fiscal years 2014 and 2015 became eligible to vest based on our performance during fiscal year 2016, with vesting in each case being subject to the executive's continued employment with us through the third anniversary of the original grant date of the award. The amounts in this column reflect the value of the shares credited based on fiscal years 2014, 2015 and 2016, performance, as applicable, that would have accelerated upon a change in control of the Company (without regard to whether a termination of the executive's employment occurred).
- (6) Includes time-based awards granted to Mr. Malik and Messes. Hummel and Dilts that were then outstanding and would accelerate upon an involuntary termination of the executive's employment as described above in connection with a change in control.

EQUITY COMPENSATION PLAN INFORMATION

The Company currently maintains three equity compensation plans: the 2015 Plan, the 2011 Plan and the 2010 Stock Incentive Plan (the "2010 Plan") (although the Company's authority to grant new awards under the 2011 Plan and the 2010 Plan has terminated). Each of these plans was approved by the Company's stockholders.

The following table sets forth, for each of the Company's equity compensation plans, the number of shares of common stock subject to outstanding awards, the weighted-average exercise price of outstanding options, and the number of shares remaining available for future award grants as of January 28, 2017.

Plan Category	Number of shares of Common Stock to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of shares of Common Stock remaining available for future issuance under equity compensation plans (excluding shares reflected in the first column)
Equity compensation plans approved by stockholders	467,532 ⁽¹⁾	\$ 16.96	2,088,033 ⁽²⁾⁽³⁾
Equity compensation plans not approved by stockholders	—	—	—

- (1) Of these shares, 119,879 were subject to options then outstanding under the 2015 Plan, 256,603 were subject to options then outstanding under the 2011 Plan, and 91,050 were subject to options then outstanding under the 2010 Plan. The Company's authority to grant new awards under the 2011 Plan and the 2010 Plan has terminated. This table does not include outstanding awards of restricted stock.
- (2) All of these shares were available for grant under the 2015 Plan. The shares available for awards under the 2015 Plan are, subject to certain other limits under the plan, generally available for any type of award authorized under the 2015 Plan, including stock options, stock appreciation rights, restricted stock awards, stock bonuses and other stock-based awards. Awards subject to performance-based vesting requirements are included based on the target level of performance under the award.
- (3) Includes 1,347,977 shares subject to equity-based awards originally granted under the 2011 Plan that were cancelled due to the occurrence of a termination event and became available for award grant purposes under the 2015 Plan.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Certain Relationships

Indemnification of Officers and Directors

We entered into indemnification agreements with each of our executive officers and directors. The indemnification agreements provide the executive officers and directors with contractual rights to indemnification, expense advancement and reimbursement to the fullest extent permitted under Delaware law. Additionally, we may enter into indemnification agreements with any new directors or executive officers that may be broader in scope than the specific indemnification provisions contained in Delaware law.

There is no pending litigation or proceeding naming any of our directors or executive officers to which indemnification is being sought, and we are not aware of any pending or threatened litigation that may result in claims for indemnification by any director or officer.

Related Party Transactions

In fiscal year 2016, there were no transactions nor are there any currently-proposed transactions, where we were, are or will be a participant and in which the amount involved exceeded or will exceed \$120,000 and in which any of our directors, executive officers, beneficial holders of more than 5% of our common stock, or persons or entities affiliated with them, has or will have a direct or indirect material interest.

Policies and Procedures for Related Person Transactions

Our Board of Directors has adopted a written policy for the review of any transaction, arrangement or relationship in which we are a participant, the amount involved exceeds \$120,000 and one of our executive officers, directors, director nominees, any officer of the Company at or above the rank of senior vice president or beneficial holders of more than 5% of our capital stock (or their immediate family members), each of whom we refer to as a “related person,” has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement or relationship, which we refer to as a “related party transaction,” the related person must report the proposed related party transaction to our Audit Committee. The policy calls for the proposed related party transaction to be reviewed and, if deemed appropriate, approved by the Audit Committee. In approving or rejecting such proposed transactions, the Audit Committee will be required to consider the relevant facts and circumstances available and deemed relevant to the Audit Committee, including the material terms of the transactions, risks, benefits, costs, availability of other comparable services or products and, if applicable, the impact on a director’s independence. The Audit Committee, in some circumstances, may engage a third party to assist the Audit Committee in its review of such relationships. The Audit Committee will approve only those transactions that, in light of known circumstances, are in, or are consistent with, our best interests, as the Audit Committee determines in the good faith exercise of its discretion. The Company shall not enter into a related party transaction unless the transaction is first reviewed and approved by the disinterested members of the Audit Committee or, if necessary to reach a decision, a majority of the disinterested members of the Board of Directors. Any related party transactions that are ongoing in nature will be reviewed at least annually and the Audit Committee may establish guidelines for our management to follow in the course of its ongoing dealings with the related person. Any substantive change to the terms of a related party transaction shall require the same review and approval as would be required for a new related party transaction.

Our Board of Directors has also adopted a written policy under which no immediate family member of a director, the President and Chief Executive Officer, or any officer of the Company holding the position of senior vice president or higher shall be hired as a director, officer, employee or consultant to the Company until the employment arrangement is approved by the disinterested members of our Audit Committee or, if necessary to reach a decision, a majority of the disinterested members of the Board of Directors. A copy of our Related Party Transaction Policy and Audit Committee charter are available on the Investor Relations section of our website at www.francescas.com.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file with the SEC reports of ownership and reports of changes in ownership of our equity securities. These persons are required by SEC regulations to furnish us with copies of all of these reports that they file. To our knowledge, based solely on our review of the copies of such reports, including any amendments thereto, furnished to us and written responses to annual directors' and officers' questionnaires that no other reports were required and all Section 16(a) reports required to be filed during fiscal 2016 were timely filed, except for a Form 4 for Ms. Hummel that was filed late.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors assists the Board of Directors in performing its oversight responsibilities for our financial reporting process and audit process as more fully described in the Audit Committee's charter. Management has the primary responsibility for the financial statements and the reporting process. Our independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon.

In the performance of its oversight function, the Audit Committee reviewed and discussed our audited consolidated financial statements for the fiscal year ended January 28, 2017 with management and with our independent registered public accounting firm. In addition, the Audit Committee discussed with our independent registered public accounting firm the matters required to be discussed by the Auditing Standard No. 1301, "*Communications with Audit Committees*," as adopted by the Public Company Accounting Oversight Board, which includes, among other items, matters related to the conduct of the audit of our financial statements. The Audit Committee has also received and reviewed the written disclosures and the letter from our independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding the accounting firm's communications with the Audit Committee concerning independence and has discussed with our independent registered public accounting firm that firm's independence and considered whether the non-audit services provided by the independent registered public accounting firm are compatible with maintaining its independence.

Based on the review and discussions with management and our independent registered public accounting firm described above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended January 28, 2017 filed with the SEC.

**ELECTION OF DIRECTORS
(Proposal No. 1)**

Nominees for Election

Our Board of Directors is currently comprised of nine members. Upon the recommendation of the Nominating and Corporate Governance Committee, our Board of Directors has nominated each of Mr. Philip F. Bleser, Mr. Martyn Redgrave and Ms. Laurie Goldman for election to our Board of Directors as Class III directors, each to serve a term of three years expiring at our 2020 Annual Meeting of Stockholders and until his or her successor is duly elected and qualified. Each of Mr. Bleser, Mr. Redgrave and Ms. Goldman are currently directors of the Company. See “*Board of Directors and Executive Officers*” for the biographical information for each of the members of our Board of Directors.

In recommending director nominees for selection by our Board of Directors, the Nominating and Corporate Governance Committee considers a number of factors, which are described in more detail above under “*Board of Directors and Corporate Governance — Director Nomination Process*.” In considering these factors, the Nominating and Corporate Governance Committee and our Board of Directors consider the fit of each individual’s skills with those of other directors to build a Board of Directors that is effective, collegial and responsive to the needs of our Company.

The nominees for election have each consented to be named in this Proxy Statement and to serve as directors if elected. If any of the nominees becomes unable, for any reason, or unwilling for good cause (which is not anticipated) to serve as director, there will be a vacancy on our Board of Directors unless our Board of Directors chooses to reduce the number of directors serving on the Board of Directors.

Plurality Voting Standard

Our Bylaws provide for a plurality voting standard for the election of directors. Under this voting standard, once a quorum has been established, the three nominees receiving the highest number of affirmative votes of the shares entitled to be voted for them will, subject to the Voting Policy, be elected as directors to serve until the 2020 annual meeting of stockholders and until their respective successors are duly elected and qualified. Votes withheld shall have no legal effect.

Pursuant to the Voting Policy, in an uncontested election of directors (as defined in the Voting Policy), if a nominee for director receives a greater number of WITHHOLD votes than FOR votes, the director must tender his or her resignation to the Board of Directors promptly following the certification of the election results. The Nominating and Corporate Governance Committee will consider any resignation tendered under the Voting Policy and recommend to the Board of Directors whether to accept or reject such resignation. The Board of Directors will then act on such resignation, taking into account the recommendation of the Nominating and Corporate Governance Committee, within 90 days following the certificate of the election results. The Nominating and Corporate Committee in making its recommendation, and the Board of Directors in making its decision, may consider any information it deems appropriate, including, without limitation, such factors outlined in the Voting Policy. The Board of Directors will disclose, as required by law, its decision to accept or reject such resignation and, if rejected, the reasons for doing so.

Recommendation of the Board of Directors

Our Board of Directors recommends that you vote FOR ALL of the three nominees for director.

**RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
(Proposal No. 2)**

The Audit Committee has appointed EY to serve as our independent registered public accounting firm for the fiscal year ending February 3, 2018. The Company is not required by its Bylaws or applicable law to submit the appointment of EY for stockholder approval. However, as a matter of good corporate governance, the Board of Directors has determined to submit the Audit Committee's appointment of EY as our independent registered public accounting firm to stockholders for ratification. If stockholders do not ratify the appointment of EY, the Audit Committee may consider the appointment of another independent registered public accounting firm. In addition, even if stockholders ratify the Audit Committee's selection, the Audit Committee, in its discretion, may appoint a different independent registered public accounting firm if it believes that such a change would be in the best interests of the Company and our stockholders.

A representative of EY is expected to attend the Annual Meeting. The representative will have the opportunity to make a statement if he or she desires to do so, and is expected to be available to answer appropriate questions.

Recommendation of the Board of Directors

Our Board of Directors recommends that you vote FOR ratification of the appointment of EY as the Company's independent registered public accounting firm for the fiscal year ending February 3, 2018.
